Healthy Connections PRIME

Beginning in 2015, **Healthy Connections Prime** will be a South Carolina program for seniors with both Medicare and Medicaid.

Prime offers:

- **Better care** by making it easier for you to get all of your Medicare and Medicaid services from a health plan that you choose.
- **Better value** through a care team and a care manager that works directly with you and your doctors.
- **Better health** through benefits that will help you stay at home with your family as long as possible.
