NEW DHHS CRCF-01 FORM

The DHHS CRCF-01 Form has been updated to bring better service to you. The new form and instructions can be found at:

<http://medsweb.scdhhs.gov/formslisting.htm>

(It is currently the last form in the list)

You WILL NOT change the process you follow in regard to the new form. You will still only initiate a CRCF-01 Form for a termination from your facility, a transfer from your facility to another, a transfer to your facility from another, and for medical absences. When initiating the form for these purposes you will still send copies to your local eligibility worker and your local CLTC worker.

Now that all information can be typed into the document by you as well as the eligibility and CLTC workers, there will be less legibility issues, and documents can be more easily scanned at the claims center.

Remember to name and save your file. When printing the new form, just print the form page. If you select “print all” you will currently print the instructions as well as the form.

The main change to the form is the new Section II that is completed by CLTC. You WILL NOT need to enter anything in this area. It is for CLTC use only, and was added to take the place of another form. This change will make the process more streamlined between the eligibility office and CLTC.

Remember, there are NO CHANGES to the process for you. If you have any questions, please contact your program manager.

Please be sure to print copies of your remittance advice each month. The webtool only holds the last 26 weeks of information. You will need this information for your records and to complete your Cost Report each year. Having this information pulled and printed by the Agency is costly and time consuming. Remember, there will be a charge associated with all requests for duplicate remittance advices.

COST OF LIVING ALLOWANCE (COLA) OSS ENTITLEMENT INCREASE EFFECTIVE JANUARY 01, 2012

Effective with dates of service beginning January 01, 2012, the maximum payment made to a facility will be increased by \$24.00 from \$1157.00 to \$1181.00. The new Net Income Limit (NIL) will be \$1181.00. The personal needs allowance will be increased by \$2.00 to \$59.00 for category 86 residents and \$79 for category 85 residents. This means that the resident will begin receiving their \$59.00 or \$79.00 beginning January 01, 2012. As in the past, the personal needs allowance must be deducted from other income that the resident receives rather than the OSS entitlement payment. The increase in the monthly entitlement amount will be reflected in the regularly scheduled check for January 2012 services issued March 02, 2012. The new amount a facility may now charge is \$1122.00, a \$22.00 increase from the previous \$1100.00.

The new provider daily entitlement amounts that are being used to calculate your payments for January 2012 through December 2012 dates of service are as follows:

1. February (29 day month) \$40.72 a day,
2. April, June, September, November (30 day months) \$39.36 a day,
3. January, March, May, July, August, October, December (31 day months) \$38.09 a day.

The OSS entitlement payments made on behalf of residents to Community Residential Care Facilities are considered payment in full. Any differences caused by rounding in the payment system cannot be billed to the resident or deducted from the resident's personal needs allowance.

Please post the Notice of Personal Needs Allowance Increase page at the end of this advisory in a place that all of your OSS residents will be able to view.
