SUBJECT: South Carolina Medicaid 5010 Web page

The South Carolina Department of Health and Human Services (SCDHHS) is pleased to announce its new web page solely dedicated to information for HIPAA 5010 implementation.

The new web page contains valuable tips, links to the new Companion Guides, testing dates, and contact information for trading partner testing.

Also, found on this page is a 5010 Readiness Survey that we are asking all of our Trading Partners and Providers to complete. By completing this survey, you will help us better serve you.

The new web page can be accessed at <http://www.scdhhs.gov/HIPAA5010.asp> and will be available until November 1, 2011. If you have already taken the survey, thank you for your submission. We are evaluating all responses and following up with trading partners as needed.

Thank you for your continued support and participation.
