### [Medicaid Reductions Bulletin](#)

Description: The South Carolina Department of Health and Human Services (SCDHHS) projects a budget shortfall of \$228 million during the current fiscal year. This is a result of a combination of significant enrollment increases and budget reductions. In order to safeguard the financial viability of the Medicaid program and meet statutory requirements for the operation of Medicaid, SCDHHS must take prompt action to contain Medicaid costs. Current state and federal restrictions largely limit the agency's ability to make reductions apart from reducing optional state Medicaid services.
