PROVIDER NOTICE

TO: All Medicaid Providers

SUBJECT: Medical Homes Network Changes

The South Carolina Department of Health and Human Services (SCDHHS) is currently reviewing applications for two new Medical Homes Network (MHN) entities. If approved, beneficiaries will have two additional choices from which to consider for their Healthy Connections services.

Previously, SCDHHS limited providers to contract with only one MHN. While the application process is ongoing, system changes are being made to allow providers to contract with multiple MHNs. Providers are allowed to sign contracts; however, these will not be made effective until the Centers for Medicare and Medicaid Services (CMS) grants approval for these MHNs.

For questions concerning these changes, please contact the Department of Managed Care at (803) 898-4614.
