SUBJECT: Psychiatric and Counseling Services Revision

The South Carolina Department of Health and Human Services (SCDHHS) has revised its Psychiatric and Counseling Services policy. This revision clearly defines the role of the physician and allied professional, as well as the circumstances in which counseling services are covered.

For a complete copy of current policy, please refer to the Physicians, Laboratories and Other Medical Professionals Provider Manual. The most current version of the provider manual is maintained on the SCDHHS web site at www.scdhhs.gov. If you have any questions, please contact your Program Representative in the Division of Physician Services at (803) 898-2660.
