MEDICAID BULLETIN

TO: Durable Medical Equipment Providers

SUBJECT: Incontinence Supplies for Home and Community Based Waiver Participants

The South Carolina Department of Health and Human Services (SCDHHS) intends to change the process of procuring incontinence supplies for all home and community-based waiver participants. Currently, SCDHHS Community Long Term Care (CLTC) program directly enrolls all qualified providers of incontinence products for participants in the Community Choices, HIV/AIDS, Mechanical Ventilator, Medically Complex Children's, Head and Spinal Cord Injured, Mental Retardation/Related Disability and Community Supports waivers.

SCDHHS will instead procure incontinence supplies by using a single vendor awarded through a state procured bid. If you are interested in bidding on this contract please go to the Materials and Management Office (MMO) website at www.mmo.sc.gov and review specifically the Awards and Solicitations Information & Vendor Registration Section. You can register on this site to receive notification of all new bid opportunities. When the incontinence supplies bid is released, it will be announced on the MMO website. You can also contact MMO by phone at (803) 737-0600.

We appreciate your continued support of the SC Medicaid program.

/S/
Emma Forkner
Director

Note: To sign up for Electronic Funds Transfer of your Medicaid payment, please go to <http://www.dhhs.state.sc.us/dhhsnew/hipaa/index.asp> and select "Electronic Funds Transfer (EFT) for instructions.
