MEDICAID BULLETIN

TO: Pharmacy Services Providers

SUBJECT: Medicaid Policy Manual for Pharmacy Services Providers

The enclosed revised Department of Pharmacy Services Medicaid Provider Manual is effective February 1, 2005, and includes all previous HIPAA changes and Medicaid policy bulletins. This manual is to be used for program information and requirements, billing procedures, and provider services guidelines.

In addition to inclusion of policy changes specific to the Pharmacy Services program area, the new provider manuals for all Medicaid programs have been reformatted to give them a more consistent, standardized layout and to improve navigation and readability. Headings for each subsection appear on the left side of the page, with the corresponding information on the right. "Chapters" are now called "sections," and the numbering system has been simplified.

The revised manual is organized as follows, with each section having its own table of contents:

Section 1, **General Information and Administration**, contains an overview of the South Carolina Medicaid program, as well as information about record retention, documentation requirements, utilization review, Program Integrity, and other general Medicaid policies.

Section 2, **Policies and Procedures**, describes policies and procedures specific to the Pharmacy Services program.

Section 3, **Billing Procedures**, contains billing information that is common to all South Carolina Medicaid programs, as well as program-specific guidelines for claims filing and processing.

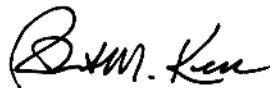

Section 4, **Codes**, provides the **National Council for Prescription Drug Programs (NCPDP) Error Code Listing**.

Section 5, **Administrative Services**, contains general information, contact information for DHHS state and county offices, and examples of all forms referenced throughout the manual.

The **Appendix** provides detailed information regarding the Alternate Reimbursement Methodology (ARM) Program.

The enclosed compact disc contains a copy of the manual in Portable Document Format (pdf). To access the file, you will need Adobe Acrobat Reader software, which is pre-installed on most computers and also available for free download at **www.adobe.com/support**. The manual is also available on the DHHS website. This policy manual is not subject to copyright regulations and may be reproduced in its entirety.

If you have any questions regarding this provider manual, please contact Department of Pharmacy Services staff at (803) 898-2876. Thank you for your continued support of the South Carolina Medicaid program.
