MEDICAID BULLETIN

HH-HOSP 05-01

TO: **Hospice Providers**

SUBJECT: **Medicaid Policy Manual for Hospice**

The enclosed revised Hospice Medicaid Provider Manual is effective February 15, 2005 and includes all previous HIPAA changes and Medicaid policy bulletins.

This manual is to be used for program information and requirements, billing procedures, and provider services guidelines. **Due to several substantial changes in policy, providers are urged to carefully review this revision.**

In addition to inclusion of policy changes specific to the Hospice program area, the new provider manuals for all Medicaid programs have been reformatted to give them a more consistent, standardized layout and to improve navigation and readability. Headings for each subsection appear on the left side of the page, with the corresponding information on the right. Chapters" are now called "sections," and the numbering system has been simplified.

The new manual is organized generally as follows, with each section having its own table of contents:

Section 1, **General Information and Administration,** contains an overview of the South Carolina Medicaid program, as well as information about record retention, documentation requirements, utilization review, program integrity, and other general Medicaid policies.

Section 2, **Policies and Procedures,** describes policies and procedures specific to the Home Health program.

Section 3, **Billing Procedures,** contains billing information that is common to all South Carolina Medicaid programs, as well as program-specific guidelines for claim filing and processing.

Section 4 contains procedure codes, fee schedules, and other approval codes and modifiers.

Section 5, **Administrative Services,** contains contact information for DHHS state and county offices, examples of all forms referenced throughout the manual (as well as some generic forms), and contacts for claim form suppliers/vendors.

The **appendices** include the following:

- Edit Codes, CARCs & RARCs, and Resolutions
- Carrier Codes
- Schedule of Copayments

The enclosed compact disc contains a copy of the manual in Portable Document Format (PDF). To access the file, you will need Adobe Acrobat Reader software, which is pre-installed on most computers and also available for free download at **www.adobe.com/support**.

The most current version of the provider manual is maintained on the DHHS Web site at **www.dhhs.state.sc.us**. To access the manual from the DHHS home page, scroll down and click on the link for Resource Library; next, click on the link for Manuals, and scroll down to the listings located beneath the heading Service Providers.

The policy manual and fee schedule are not subject to copyright regulations and may be reproduced in their entirety.

If you have any questions regarding this provider manual and fee schedule, please contact your program coordinator for Hospice at (803) 898-2590. Thank you for your continued support of the South Carolina Medicaid program.
