Re: Title XIX State Plan Amendment, SC 13-0026-MM7

Dear Mr. Soura:

Enclosed is an approved copy of South Carolina's state plan amendment (SPA) 13-0026-MM7, which was originally submitted to the Centers for Medicare & Medicaid Services (CMS) on December 31, 2013. SPA 13-0026-MM7 establishes that one or more qualified hospitals are determining presumptive eligibility, and that the state is providing coverage for individuals determined presumptively eligible, in accordance with the Affordable Care Act. The SPA was approved on December 17, 2015. The effective date of this SPA is January 1, 2014.

Enclosed is a copy of the new state plan pages and attachments to be incorporated within a separate section at the back of South Carolina's approved state plan.

If you have any questions, please contact Maria Drake at 404-562-3697.

Sincerely,

A handwritten signature in black ink that reads "Jackie Glaze". The signature is written in a cursive, flowing style.

Presumptive Eligibility by Hospitals S21

42 CFR 435.1110

One or more qualified hospitals are determining presumptive eligibility under 42 CFR 435.1110, and the state is providing Medicaid coverage for individuals determined presumptively eligible under this provision.

Yes No

The state attests that presumptive eligibility by hospitals is administered in accordance with the following provisions:

A qualified hospital is a hospital that:

Participates as a provider under the Medicaid state plan or a Medicaid 1115 Demonstration, notifies the Medicaid agency of its election to make presumptive eligibility determinations and agrees to make presumptive eligibility determinations consistent with state policies and procedures.

Has not been disqualified by the Medicaid agency for failure to make presumptive eligibility determinations in accordance with applicable state policies and procedures or for failure to meet any standards that may have been established by the Medicaid agency.

Assists individuals in completing and submitting the full application and understanding any documentation requirements.

Yes No

The eligibility groups or populations for which hospitals determine eligibility presumptively are:

Pregnant Women

Infants and Children under Age 19

Parents and Other Caretaker Relatives

Adult Group, if covered by the state

Individuals above 133% FPL under Age 65, if covered by the state

Individuals Eligible for Family Planning Services, if covered by the state

Former Foster Care Children

Certain Individuals Needing Treatment for Breast or Cervical Cancer, if covered by the state

Other Family/Adult groups:

Eligibility groups for individuals age 65 and over

Eligibility groups for individuals who are blind

Eligibility groups for individuals with disabilities

Other Medicaid state plan eligibility groups

Demonstration populations covered under section 1115

The state establishes standards for qualified hospitals making presumptive eligibility determinations.

Medicaid Eligibility

Yes No

Select one or both:

- The state has standards that relate to the proportion of individuals determined presumptively eligible who submit a regular application, as described at 42 CFR 435.907, before the end of the presumptive eligibility period.

Description of standards: **SCDHHS will require that 90% of individuals determined presumptively eligible submit a regular application before the end of the presumptive eligibility period.**

- The state has standards that relate to the proportion of individuals who are determined eligible for Medicaid based on the submission of an application before the end of the presumptive eligibility period.

Description of standards: **SCDHHS will require that 90% of individuals who submit an application before the end of the presumptive eligibility period are determined eligible for Medicaid.**

- The presumptive period begins on the date the determination is made.

- The end date of the presumptive period is the earlier of:

The date the eligibility determination for regular Medicaid is made, if an application for Medicaid is filed by the last day of the month following the month in which the determination of presumptive eligibility is made; or

The last day of the month following the month in which the determination of presumptive eligibility is made, if no application for Medicaid is filed by that date.

- Periods of presumptive eligibility are limited as follows:

No more than one period within a calendar year.

No more than one period within two calendar years.

No more than one period within a twelve-month period, starting with the effective date of the initial presumptive eligibility period.

Other reasonable limitation:

The state requires that a written application be signed by the applicant, parent or representative, as appropriate.

Yes No

The state uses a single application form for Medicaid and presumptive eligibility, approved by CMS.

The state uses a separate application form for presumptive eligibility, approved by CMS. A copy of the application form is included.

An attachment is submitted.

Medicaid Eligibility

The presumptive eligibility determination is based on the following factors:

The individual's categorical or non-financial eligibility for the group for which the individual's presumptive eligibility is

being determined (e.g., based on age, pregnancy status, status as a parent/caretaker relative, disability, or other requirements specified in the Medicaid state plan or a Medicaid 1115 demonstration for that group)

Household income must not exceed the applicable income standard for the group for which the individual's presumptive eligibility is being determined, if an income standard is applicable for this group.

State residency

Citizenship, status as a national, or satisfactory immigration status

The state assures that it has communicated the requirements for qualified hospitals, and has provided adequate training to the hospitals. A copy of the training materials has been included.

An attachment is submitted.

PRIORITY PROCESSING

This is not a full Medicaid application

Who is authorized to complete this application?

- Hospitals have the option to perform Presumptive Eligibility (PE) determinations for select Medicaid coverage as granted by the Affordable Care Act.
- An employee of an authorized hospital may use this application to conduct an eligibility determination on a potentially Medicaid-eligible applicant. Only those employees who have been trained by Healthy Connections are allowed to conduct an eligibility determination.
- To participate in the PE program, hospitals must (i) participate in Medicaid and (ii) not be disqualified. Presumptive eligibility determinations must be performed by a hospital employee, and authority may not be delegated to any non-employee, including employees of affiliated entities.

Who is eligible for this program?

An individual receiving hospital services or community member who does not have insurance coverage, but who, based on their self-reported income and circumstances, may be eligible for Medicaid coverage.

Presumptive Eligibility may only be applied to the following Medicaid categories:

- Children under Age 19 (PHC)
- Parents and Caretaker Relatives (PCR)
- Former Foster Care (FFC) Children to Age 26
- Breast and Cervical Cancer Treatment Program (BCCP)
- Healthy Connections Checkup*
- Pregnant Women (PW) **

* Checkup category does not provide full Medicaid benefits.

** PW is limited to ambulatory prenatal care and does not include labor and delivery.

Where can I find resources to help complete this application?

- Visit scdhhs.gov and read our Frequently Asked Questions.
- Call the Provider Service Center at (888) 289-0709 to speak to a representative.
- Check out this online resource: <http://medicaidelearning.com>.
