#### Please explain how these funds will be used to provide a public benefit:

One of the largest funding efforts for the Bridge Over Foundation is Bridge Camp. Bridge Camp is a free enrichment camp children ages 8-16. This camp housed in the inner city of Eastover, SC has been the prime summer camp experience for every student all across Richland County and surrounding areas. Our staff plans an exciting week to include STEM, entrepreneurial seminars, life skills training, financial literacy, introduction to music production, and recreational fun to name a few. This camp ignites children to overcome social emotional trauma from covid, mental health, and so much more. The events listed in the description have all shown to be healing to community. The BOF has been a leading organization in the fight against gun violence also trying to initiate peace throughout the Richland County Community and more directly our youth. The BOF has co-produced the largest gun buy back in Richland County and one of the largest peace walks against gun violence in the Southeast area. Bridge builders mentoring program was developed to help all youth and be a bridge to success in every aspect of life. This program has recently been requested in a local Richland One elementary school to aid in behavior, self-esteem, character development, life skills, and dream casting. The projected number of students are between 50-75.
