

COMMENTS REGARDING OT PT ST Proposed Public Notice:

“Can you confirm if you are issuing an RFP to supply the aforementioned related services therapy staffing? If so, my company, Therapy Source, Inc., will gladly participate in your process and submit. I would just need a little more detail on caseload, etc.

If this is not an RFP and you are strictly announcing a change of policy/delivery of services, I'd appreciate your confirming this, as well. I look forward to hearing from you!”

SCDHHS Response:

This is not a notice of RFP but a notification of policy change. (Response sent to Ms. Duffin on 2/24/14 because this was just a clarification question on if RFP or policy change)
