

Table 24. Gestational Age Terminology and ACOG Criteria for Confirmation of Term Gestation ^{228,231}

Gestational Age Terminology	
Late preterm	34 0/7 – 36 6/7 weeks
Early term	37 0/7 – 38 6/7 weeks
Full term	39 0/7 – 40 6/7 weeks
Late term	41 0/7 – 41 6/7 weeks
Post term	42 0/7 weeks or more
ACOG Criteria for Confirmation of Term Gestation²²⁹	
Ultrasound performed at less than 20 weeks gestation confirms a gestational age of 39 weeks or greater	
Documentation shows fetal heart tones by Doppler have been present for 30 weeks	
36 weeks have passed since a positive urine or serum pregnancy test
