Who? _____

Federal law requires that anyone who applies for Medicaid for themselves must tell us about their citizenship or immigration status and provide or apply for a Social Security Number (SSN). We can help you apply for a SSN, and benefits will not be denied or delayed while the application is being processed. SSNs provided will be used to help the State agency determine eligibility. Each non-citizen applying for full Medicaid benefits must provide United States Citizenship and Immigration Services (USCIS) documents, such as an I-551 (Green Card) or I-94. Anyone applying as a non-citizen for emergency services only is not required to provide USCIS documents or a SSN.

Some family members of applicants may choose not to apply for Medicaid. In that case, they do not have to provide a SSN or citizenship or immigration status but will be required to provide information about their income and assets. Benefits to applicants will not be delayed or denied just because some family members do not wish to apply for themselves. Even though a person not applying for Medicaid is not required to provide a SSN, it is helpful for us to have this number as we gather the information we need to make a decision. We use SSN to help us check identity, verify eligibility and prevent fraud. We exchange information with other agencies according to Federal rules and to manage our programs.

How do I apply for benefits?

- You must fill out this application using Black or Blue ink or by Typing your answers. You are also able to apply online by going to www.SCDHHS.gov.
- Attach extra sheets if you need more space to answer any of the questions.
- You may mail your application to: SCDHHS PO Box 100101 Columbia, SC 29202-3031.
- To be valid, the application must have your name, contact information and be signed.
- If we do not have everything we need, you will get a list of what you need to send us.
- When we have everything we need, a decision will be made about your Medicaid eligibility. You should receive a letter within 45 days from the date we receive your application to tell you if you are eligible. If you need a disability determination, it may take up to 90 days.
- Immediately report any change in income or other information on your application to your local Medicaid office or by calling the call center at 1-888-549-0820.
- We may share this information with other Federal and state agencies as we gather what we need to make a decision.

Rights and Responsibilities

Please read the following rights and responsibilities. If you disagree with a statement, your eligibility for programs may be impacted. A signature is required to complete the application process and submit your application to the agency.

1. I know that under federal law, discrimination isn't permitted on the basis of race, color, national origin, sex, age, or disability. I can file a complaint of discrimination by calling (888) 808-4238 or writing to the Civil Rights Division, SCDHHS, P.O. Box 8206, Columbia, SC 29202-8206.
2. I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell the agency and may not have to cooperate.
3. I assign and give my rights to any payments from a liable third party to the SCDHHS up to the payment amount that Healthy Connections has made for my medical care. This assignment applies to any of my minor children who may be injured. These payments may include payments from health insurance, legal settlements, or other third parties. I also understand that I have a duty to cooperate in identifying and providing information to assist Healthy Connections in pursuing third parties who may be liable to pay for care and services.
4. I understand that I must cooperate fully with state and federal workers if my case is reviewed. I also understand that, as a condition of eligibility, I must apply for and take steps to obtain any other benefits, including but not limited to annuities, pensions, retirement, disability and other benefits.
5. As an applicant/beneficiary for Medicaid services, I understand that there are two groups of people that are affected by estate recovery:
 - A person of any age who was a patient in a nursing facility, intermediate care facility for the intellectually disabled, or other medical institution at the time of death, and who was required to pay most of his/her income for the cost of care; or
 - A person who was 55 years of age or older when he/she received medical assistance consisting of nursing facility services, home and community based services, and hospital and prescription drug services provided to individuals in nursing facilities or receiving home community-based services.I understand that upon receiving any of these services, the Department of Health and Human Services will file a claim against my estate (all personal and real property owned by me at my death) for the amount Medicaid has paid for my services.

Rights and Responsibilities

If the information I provide doesn't match electronic data, I may be asked to send proof. I know that, unless I specifically ask to be excluded, information collected will be securely stored in order to be sure that services provided to my family and me are sufficient and necessary.
8. If I think SCDHHS, the agency that administers Healthy Connections, the state's Medicaid program, has made an error I can appeal its decision. To appeal means to tell someone at SCDHHS that I think the action is wrong, and ask for a fair hearing. I must submit a written request for such a hearing to SCDHHS. I know that I may represent myself or be represented by someone other than myself.
