The South Carolina Department of Health and Human Services (SCDHHS) gives notice of the following action regarding the addition of Homebuilders®, an evidence-based, intensive in-home service under the State Plan under Title XIX of the Social Security Act Medical Assistance Program (Medicaid).

Effective on or after July 1, 2024, SCDHHS will add an additional evidence-based practice for children and adolescents, Homebuilders®, to the South Carolina Medicaid State Plan. Homebuilders® is a well-documented intensive family preservation service. The following per diem rate will apply:

Service	Service Description	Unit Rate

SCDHHS is making this change to support access to behavioral health services, enhance the state’s provider network, and ensure services are delivered effectively.

Based on the actions above, SCDHHS projects a budget impact of approximately \$271,000 (total dollars) per year.

Copies of this notice are available at each South Carolina Healthy Connections Medicaid county office and at www.scdhhs.gov for public review. Additional information regarding these actions is available upon request at the address cited below.

Any written comments submitted may be reviewed by the public at SCDHHS, Bureau of Policy, 1801 Main Street, Columbia, South Carolina, Monday through Friday between the hours of 9 a.m. and 5 p.m.
