MEDICAID ALERT

TO: Community Residential Care Facilities

SUBJECT: July 2017 Regional OSS and OSCAP Provider Trainings

The South Carolina Department of Health and Human Services (SCDHHS) Division of Community and Facility Services will host four regional trainings on updates to the policies and procedures for Optional State Supplementation (OSS) and Optional Supplemental Care for Assisted Living Participant (OSCAP) providers. These trainings, scheduled in July, are for any Community Residential Care Facility (CRCF) currently enrolled as an OSS provider and for those contracted OSCAP providers.

Provider training is scheduled from 10 a.m.-1 p.m. July 11, 13, 18 and 20 in four locations throughout the state: Charleston, Greenville, Florence and Columbia. Training details, including the logistics for each location, are attached.

It is important for OSS and OSCAP providers to participate in this training. It is required for the owner or administrator and the billing specialist for each facility to participate in one of the trainings.

Registration is mandatory for all attendees, as space is limited. To register, please visit the Healthy Connections Medicaid Provider Education website, www.medicaidlearning.com, or call the South Carolina Medicaid Provider Service Center at (888) 289-0709 and choose the option '1.'

Thank you for your continued support of the South Carolina Healthy Connections Medicaid program.
