## MEDICAID ALERT

**TO: All Providers**

**SUBJECT: Provider Manual Updates**

Beginning in October 2016, the South Carolina Department of Health and Human Services (SCDHHS) will conduct routine updates and/or corrections to the Medicaid provider manuals as they are identified. SCDHHS encourages providers to continue to review their provider manuals, paying close attention to the Change Control Record, which tracks all changes made.

Thank you for your continued support of the South Carolina Healthy Connections Medicaid program.
