## MEDICAID ALERT

**TO: Hospitals**  
**SUBJECT: 642 Edit Claims**

Multiple hospitals have reported unusually high volumes of claims rejecting with a 642 edit. At this time, the South Carolina Department of Health and Human Services (SCDHHS) believes there is a technical issue causing an error with the claims processing system and it is unable to capture this deductible and copay information. SCDHHS is currently researching the problem and hopes to have a fast and accurate resolution. More information will be released as it develops.

Thank you for your continued support of the South Carolina Healthy Connections Medicaid program.
