## MEDICAID ALERT

**TO: All Providers**

**SUBJECT: Provider Revalidation Group 6**

In the bulletin dated April 20, 2015, providers were informed their enrollment information must be revalidated, per the Centers for Medicare and Medicaid Service (CMS). To avoid risk of termination in the South Carolina Department of Health Human Services (SCDHHS) Healthy Connections Medicaid program, you must complete and submit an enrollment application 30 days from the date of your official revalidation notification letter. **DO NOT** begin the revalidation process until you receive notification. The notification contains pertinent information needed to start and complete the revalidation process.

In addition, the enrollment application fee is **ONLY** applicable to providers that CMS has identified as institutional providers. The application fee must be collected before a revalidation provider enrollment agreement is received, unless the provider is already enrolled in Medicare, enrolled in another state's Medicaid or CHIP program or submitted and received approval for a Hardship Waiver request. South Carolina Healthy Connections Medicaid recognizes and enrolls the following institutional providers:
