

### Healthy Connections Prime Monthly Enrollment Dashboards

## 2020 January - December

#### **Glossary of Key Terms**

- Active Enrollment: Members with active coverage under Healthy Connections Prime. This does not include individuals who are enrolled but whose coverage has not started yet.
- **Cancellation:** A request by an individual to be removed from the program **before** the coverage effective date. For example: An individual has been passively enrolled into a Medicare-Medicaid Plan but they ask to leave the program before the coverage effective date. This request will delete the enrollment from all enrollment systems. This would be considered a cancellation.
- **Community:** At home or in a community-based setting, such as a Community Residential Care Facility (CRCF). Not in a nursing facility.
- Community Residential Care Facility (CRCF): CRCFs offer room and board and, unlike boarding homes, provide a degree of personal care for a period in excess of 24 consecutive hours for 2 or more persons, 18 years old or older.
- **Custodial Stay:** Member's stay in a nursing facility under an approved Medicaid Long Term Care Stay, and not for temporary rehabilitation.
- **Disenrollment:** A request by an individual to be removed from the program **after** the coverage effective date. For example: An individual has opted into a Medicare-Medicaid Plan but they ask to leave the program after the coverage effective date. This request will end the current enrollment coverage at the end of the month it is submitted. This would be considered a disenrollment.
- Home and Community Based Services (HCBS) Waiver: HCBS waivers provide services and supports for persons eligible for nursing home care stay longer in the community (home and community-based settings). Examples of such services and supports are: assistance getting dressed, home delivered meals, and wheelchair ramps. HCBS are offered through one of three waivers: Community Choices, HIV/AIDS, and Mechanical Ventilator Dependent. Plans also offer these services to non-waiver participants based on medical need.

- Non-Custodial Stay: A member's stay in a nursing facility for temporary rehabilitation and not for long term care.
- **Opt-in Enrollment:** A request by an eligible individual to actively join a Medicare-Medicaid Plan.
- **Opt-out:** A request by an individual to affirmatively decline passive enrollment into the Healthy Connections Prime program. Once an individual has opted out, the State must document this and exclude him/her from future passive enrollment processing. There are three scenarios where opt-out requests can be received:
  - The individual opts-in or is passively enrolled, and then opts out before the enrollment effective date. The State must cancel the enrollment along with opting the individual out of the program.
  - The individual opts-in or is passively enrolled, and then opts out on or after the enrollment effective date. The State must disenroll the individual along with opting the individual out of the program.
  - An individual has not opted-in to the program and he/she has not been passively enrolled but he/she requests to opt-out. The State must opt the individual out of passive enrollment into the program.
- **Passive Enrollment:** An auto assignment into a Medicare-Medicaid Plan for an eligible individual who has not actively chosen to join the program. Please note that if an individual does not take action to end their coverage, their membership in the program will be considered voluntary.
- **Plan:** A Medicare-Medicaid Plan (MMP) that is offering coverage under Healthy Connections Prime.

#### **For More Information**

Please visit our website at http://www.scdhhs.gov/prime or call the SC Thrive Customer Service Center at (800) 726-8774, Monday-Friday, 8:30 a.m. – 5 p.m. TTY users call 711. This call is free.

#### **Member Stories**

"Great things get done when people come together as one."

Visit our <u>Testimonials</u> page and read stories about our some of our members' experiences in Healthy Connections Prime, including how a member was discharged from the ER on a Friday after fracturing his foot and urgently needed a wheelchair. His MMP worked quickly with the doctor and a durable medical equipment provider to secure a wheelchair before the weekend began.

# Flu Vaccine Reminder

Flu season is coming up and Healthy Connections Prime wants to remind members and caregivers to get the annual flu vaccine.

Because of the COVID-19 pandemic, reducing the spread of respiratory illnesses, like flu, this fall and winter is more important than ever. To learn more, please click on <u>this link</u>.
