State office updates

State performance trends for the region were reviewed and power point presentation was shared (available upon request).

General Supervision plan reviewed and power point was shared. **Please click the following link to review the General Supervision process and FFY 2022 District Data and Findings.**

General%20Supervision

BabyNet Brief "Service Logs" document was reviewed and informed of posting.

List Serv- Information on how to sign up for the List Serv was shared.

December Count (CLOSURES) - ALL closures prior to Dec 1 must be completed for the annual Dec 1 count.

COS-KC - BabyNet is excited to announce the availability of two fantastic new Child Outcomes Summary tools developed by the Center for IDEA Early Childhood Data Systems (DaSy) and the Early Childhood Technical Assistance Center (ECTA). The first is the Child Outcomes Summary Knowledge Check (COS-KC) (remember to sign up and print and review all the documents provided). This is a self-assessment intended for IFSP team members to use to determine their

level of understanding and application of the COS process. The second is a set of 6 online modules that explain in detail the COS process.

Greenwood Genetics training is in SCEILS and can be reviewed at any time.

Billing training (very important to review and be familiar with) If insurance is listed Bridges is going to default to YES unless it is changed at EACH IFSP.

Transition issues:

New Transition Referral Form and changes were reviewed.

Help desk reviews: Bridges does not read addendums. These should be only used for non-billing changes, or used internally for bulk approval related issues.

To have logs deleted, contact the help desk. Please provide the specific service log numbers.

IFSP's cannot be deleted with logs attached. Please check before asking that a plan be deleted.

The help desk cannot change a payor source and change anything on the IFSP.

Presentation from the Assistive Technology Team at Charleston County Schools

Other updates:

   1)eligibility office

   2) Family Connection

   3) Other input

Next meeting will be in February 2024
