

Horry LEIS Meeting

February 14, 2023

Agencies Represented:

Family Connection
Horry County DSN
Georgetown School District
SCSDB
EasterSeals
PlayWorks
Therapy Consortium
Kid In Development Services

BabyNet State Office Updates:

Social Communication Training: Tuesday, June 13

HIIRF: Send form to ohi.priorities@scdhhs.gov

Natural Environment: If services are provided in the clinic, they need to come off of planned services, and add to other services. When exceptions are made for a child-centered reason, they should be time limited.

Change Reviews: All team members need to be invited to the change review meeting for any change in services.

Providers should not be added to planned services until they have accepted the referral.

Data Clean-Up: Please respond to data requests from your regional.

Fraudulent Billing: Do not have logs deleted. Contact BabyNet and DDSN.

Transition: Some of the agencies have been doing the transition conferences without the school district. Make sure the LEA is present for the meeting.

Horry county schools said things are going great

Williamsburg county- things are going well

If you close a child after age 2, please notify the LEA.

Eligibility: Referrals are being processed statewide so referrals could come from any eligibility office.

Family Connection: Doing a lot of virtual trainings now, please share these with your staff and families of children you serve.

Hopes and Dreams R2i2 Center in Columbia in May

Virtual Make up LEIS meeting is scheduled for March 3 at 10 am via teams.

Team was asked for input regarding time and format of the meetings.

Face to face meetings will be held again in May.
