## **Introduction: Early Intervention Service (EIS) Providers**

The purpose of procedures for delivery of Individuals with Disabilities Education Act (IDEA)/Part C services is to ensure that providers are delivering, documenting, and billing for early intervention services in a manner consistent with the federal statute and regulations of IDEA/Part C of 2004 (P.L. 108-446; 34 CFR 303). These procedures, as well as the related procedures listed below, are the basis for general supervision and monitoring of EIS providers.

#### **Related Policies and Procedures:**

In addition to the procedures for Early Intervention Service (EIS) provision, billing, reimbursement, and monitoring, EIS providers must adhere to the policies and procedures listed on the website: https://msp.scdhhs.gov/babynet/site-page/babynet-policies-and-procedures.

# **Role of Service Coordinators in Provision of Early Intervention Services:**

Once a child is determined eligible for IDEA/Part C services by an Intake Coordinator and assigned to a Service Coordinator, the Service Coordinator is responsible for authorizing services through the Individualized Family Service Plan (IFSP) and referring children to qualified EIS providers in their community. The Service Coordinator has oversight of implementation of the IFSP – including ensuring services are initiated within 30 days of the IFSP – and are delivered as written in the plan.

#### Early Intervention Services under IDEA/Part C

- Assistive Technology Services and Devices<sup>1</sup>
- Audiology Services
- Autism Services
- Braille Translation
- Counseling/Family Training
- Foreign Language Interpretation & Translation<sup>2</sup>
- Health Services
- Medical Services (evaluation only)
- Nursing Services
- Nutrition Services

- Occupational Therapy
- Physical Therapy
- Psychological Services
- Service Coordination
- Sign Language Instruction & Interpretation
- Social Work Services
- Special Instruction
- Speech-Language Pathology Services
- Transportation Services
- Vision Services

For additional information regarding the role of the Service Coordinator, please see the following policies and procedures:

Policy: <a href="https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%29%20IDEA%20Part%20C%20Policy%20For%20Service%20Coordination%20Services%20FINAL.pdf">https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%29%20IDEA%20Part%20C%20Policy%20For%20Service%20Coordination%20Services%20FINAL.pdf</a>

Procedures: <a href="https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%29%20IDEA%20Part%20C%20Procedures%20for%20Service%20Coordination%20Services%20FINAL.p">https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%29%20IDEA%20Part%20C%20Procedures%20for%20Service%20Coordination%20Services%20FINAL.p</a> <a href="https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%29%20IDEA%20Part%20C%20Procedures%20for%20Service%20Coordination%20Services%20FINAL.p</a> <a href="https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%20Part%20Coordination%20Services%20FINAL.p">https://msp.scdhhs.gov/babynet/sites/default/files/%282019-07-08%20Part%20Coordination%20Services%20FINAL.p</a>

<sup>&</sup>lt;sup>1</sup>See Appendix B of this document for procedures for Assistive Technology

<sup>&</sup>lt;sup>2</sup>See Appendix c of this document for procedures for use of Foreign Language Interpretation and Translation Services

#### **EIS Provider Standards**

Each EIS provider must be enrolled as a Medicaid provider with the South Carolina Department of Health and Human Services (SCDHHS). The Medicaid provider enrollment and screening requirements include that the provider must:

- Be licensed by the appropriate licensing body, certified by the standard-setting agency, and/or other precontractual approval processes established by SCDHHS.
- Continuously meet South Carolina licensure and/or certification requirements of their respective professions or boards in order to maintain Medicaid enrollment.
- Comply with all federal and state laws and regulations currently in effect as well as all policies, procedures and standards required by the Medicaid program.
- If eligible, obtain a National Provider Identifier (NPI) and share it with South Carolina Medicaid. Refer to <a href="https://nppes.cms.hhs.gov">https://nppes.cms.hhs.gov</a> for additional information about obtaining an NPI.
- Be enrolled in the South Carolina Medicaid program and receive official notification of enrollment.
- Be credentialed with an MCO prior to providing services to their enrolled children.

The enrollment process includes screening, licensure verification and site visits (if applicable), to ensure that all enrolling providers are in good standing and meet the requirements for which they are seeking enrollment. Refer to <a href="https://www.scdhhs.gov/provider">https://www.scdhhs.gov/provider</a> for Medicaid provider information.

Once the provider has been approved for Medicaid enrollment, official notification of enrollment will be sent to the provider.

### **Providers of Service Coordination and/or Special Instruction:**

NOTE: The following does not apply to service coordinators or special instructors with the South Carolina School for the Deaf and the Blind.

Upon approval for Medicaid enrollment, SCDHHS will send official notification of EIS provider enrollment to the South Carolina Department of Disabilities and Special Needs (SCDDSN) for approval as a Qualified Provider with SCDDSN (link to the most current solicitation for qualified providers through the State Fiscal Accountability Authority can be found at: <a href="https://ddsn.sc.gov/providers/qualified-provider-application">https://ddsn.sc.gov/providers/qualified-provider-application</a>). The SCDDSN Director of Children Services will notify the IDEA/Part C State Office once a service coordination or special instruction provider has met the requirements as a qualified provider with SCDDSN, so that s/he may seek a provider agreement with IDEA/Part C.

#### **EIS Provider Enrollment**

All providers, including individuals and organizations, seeking to enroll in the BabyNet program must fully complete and submit the required documentation online through the <u>provider enrollment portal</u> found at <a href="https://vip.scdhhs.gov/babynet">https://vip.scdhhs.gov/babynet</a> enrollment/?utm campaign=&utm medium=email&utm source=govdelivery.

The provider enrollment portal will allow providers to securely upload their enrollment documentation. Please note the system will not allow partial submission of documents. Providers should have all documentation ready for submission before logging into the provider enrollment portal.

The following documents are required for a complete application:

- BabyNet Provider Enrollment Form
- BabyNet Individual User Confidentiality Agreement
- BabyNet Drug-Free Workplace Statement

In addition to completion of these documents, the enrolling provider must furnish:

- An IRS W-9 form
- The enrolling provider's NPI number, or if the enrolling provider is a licensed therapy assistant, the NPI of the supervising provider
- All relevant taxonomy codes
- A copy of the current licensure
- Proof of current liability insurance
- A national background check that includes:
  - o Office of Inspector General Background Check (current within 365 days of the enrollment packet)
  - o Nationwide Sex Offender Registry Background Check (current within 365 days of the enrollment packet)
  - o Nationwide Criminal Report Background Check (current within 365 days of the enrollment packet)
  - o SSN Verification
  - o Residency History Check
  - o Professional License Verification

A checklist for the required documentation can be found in Attachment 1 of this Appendix.

Once the completed BabyNet Provider Enrollment Packet is approved, the enrolling provider will be offered a BabyNet Provider Agreement for signature and return.

# Conditions for Maintaining Enrollment as an EIS Provider

### **License and Credentialing**

- Maintain federal and state licenses, certification, accreditations, and credentials required for the provision of EIS services. The EIS provider will immediately notify IDEA/Part C State Office if a board, association, or other licensing authority takes any action to revoke or suspend the license, certification, accreditation, or credentials of the EIS provider.
- Meet the requirements for the South Carolina IDEA/Part C credential for the Comprehensive System of Personnel Development (CSPD) within identified timeframes. For more information on the CSPD requirements, visit the following site: <a href="http://uscm.med.sc.edu/tecs/babynetcredential\_new\_hire.asp">http://uscm.med.sc.edu/tecs/babynetcredential\_new\_hire.asp</a>.
- Submit all necessary information for the IDEA/Part C databases, including the IDEA/Part C Credential, BRIDGES system, the IDEA/Part C Central Directory, and required EIS provider Listservs.
- Attend EIS provider meetings and required training.

#### **Fiscal Certification**

- All EIS Providers will document delivery of early intervention services, regardless of payor source, through submission of service logs in the BRIDGES data system within one year from date of service. Provision of hearing aids, ear molds, etc., as assistive technology devices must be documented in BRIDGES.
- Exceptions for submission of service logs in BRIDGES:
  - All other Assistive Technology Devices: Service Coordinators will submit documentation with the Assistive Technology Purchase Request packet.
  - Family Transportation Services: Service Coordinators will request, complete, and submit an IDEA/Part C Service Fund Authorization form.

# Billing for Delivery of Services:

- All EIS providers will bill for delivery of early intervention services through submission of claims in the BRIDGES data system within one year from date of service.
- Exceptions:
  - o Claims for services for children enrolled in an MCO must be billed directly to the MCO. MCO payment is considered payment in full.
  - Assistive Technology Devices:
    - > Claims for Assistive Technology Devices and supplies (batteries, hearing aid care kits, etc.) will be

processed based on written prior authorization of the Assistive Technology Purchase Request for the Assistive Technology device. An invoice and Explanation of Benefits (EOB) and/or documentation of denial of coverage may also be required.

- o Claims for evaluations, hearing aids, ear molds, etc., must be submitted in BRIDGES. SeeAppendix B of these procedures for additional requirements.
- o Claims for Family Transportation Services claims will be processed using the completed IDEA/Part C Service Fund Authorization form. If you need to request the Service Fund Authorization form please email BabyNet@scdhhs.gov.
- Comply with information recorded on the consent to bill insurance form.
- Maintain status as a Medicaid provider in good standing.
- Abide by all requirements for reporting waste, fraud, abuse of IDEA/Part C and/or Medicaid funds.

## **Confidentiality**

- IDEA/Part C records, both electronic and hard copy, are considered educational records under the Individuals with Disabilities Education Act of 2004. As educational records, guidelines for maintenance and access are stated in IDEA and the Family Educational Rights and Privacy Act (FERPA). To the extent that other federal or state privacy laws may apply to the IDEA/Part C record, Protected Health Information (PHI) generally cannot be released except pursuant to proper authorization by the parent, or pursuant to a specific exception under the Health Insurance Portability and Accountability Act (HIPAA, 45 CFR Parts 160 and 164). IDEA/Part C State Office may conduct routine audits of EIS provider records to ensure compliance with this and other applicable regulations.
- The EIS provider must ensure the confidential information released to the EIS provider's employees or subcontractors is limited to the information minimally necessary to meet the requirements of IDEA/Part C service delivery.
- Unauthorized disclosure of confidential information may result in termination of the EIS provider's agreement, and may be grounds for fines, penalties, imprisonment, injunctive action, civil suit, or debarment from doing business with IDEA/Part C. The EIS provider must immediately notify IDEA/Part C State Office of any unauthorized disclosure of personally identifiable information (PII) and/or PHI which occurs in the course of service provision. Unauthorized disclosure of other types of confidential information not consisting of PII or PHI must be immediately reported to IDEA/Part C State Office.
- When storing or transporting hardcopy portions of an IDEA/Part C record, ensure the record is:
  - o Marked 'Confidential'
  - o Stored or transported in such a manner as to ensure the record is not mixed with other records
  - o Stored or transported in a locked area (e.g., locking file cabinet, trunk of vehicle)
- E-mailed communications containing personal identifiable information (PII) or protected health information (PHI) must be sent in a secure manner.

#### **Professional Conduct:**

The EIS provider shall maintain professional relationships and boundaries with families served by IDEA/Part C, and is prohibited from the following:

- Bringing children, minors, or other individuals not directly involved in the provision of services to the family or child to the service site. Parents may not be requested to waive this provision. With prior consent of the family, interns or practicum students who are supervised by the EIS provider are excluded from this provision.
- Soliciting business from or entering personal business with families.
- Soliciting business from or for a private agency, spouse, or relative.
- Selling, purchasing, or marketing products while providing EIS services.
- Providing services to members of eligible child's immediate family or individuals with whom a professional relationship would be compromised.
- Loaning or giving money to a family while involved in a professional relationship.
- Giving or receiving gifts from those involved in a professional relationship.

- Imposing personal, political, or religious beliefs on others.
- Using alcohol or illegal drugs while working with eligible families and children, or in a manner that will affect provision of IDEA/Part C services.

# EIS Provider Scope of Work

EIS services are only available to children ages birth to 36 months of age who have been found eligible for IDEA/Part C in South Carolina.

# All EIS providers must:

- Meet federal statute and regulations, follow the current IDEA/Part C policy and procedure manual, all other applicable federal, state, or local laws, and all applicable standards of diligence and care. Please see the policy for early intervention services in natural environments for definitions of services under Part C of IDEA.
- Initiate services within 30 calendar days of identification as a new planned service on any IFSP. If the EIS provider is unable to meet this timeframe, the referral should be declined, and the Service Coordinator should refer to another EIS provider.
- Address the priorities and concerns determined by the routines-based family assessment.
- Provide services only when an IFSP outcome is identified for which the family requires support to either accomplish the outcome or to assist the child in accomplishing the outcome.
- Provide services in the context of the family's home and community routines and activities, according to the outcome the service is intended to address, and at the service frequency, duration, intensity, location, and method determined by the IFSP.
- All service delivery must include training the family, teaming with other EIS providers on the IFSP team, and consultation with the family and other IFSP team members to ensure integration of the EIS in the family's activities and routines.
- Employ use of evidence-based practices (EBP) as identified in the IDEA/Part C policies and procedures (<a href="https://msp.scdhhs.gov/babynet/site-page/babynet-policies-and-procedures">https://msp.scdhhs.gov/babynet/site-page/babynet-policies-and-procedures</a>), the national professional association relevant to the EIS provider's licensure, or, if unavailable, those established by the Council for Exceptional Children, Division of Early Childhood of 2014 (<a href="https://www.dec-sped.org/dec-recommended-practices">https://www.dec-sped.org/dec-recommended-practices</a>).
- Discuss any proposed change to the service with the Service Coordinator.
- Implement any change to the service only after an IFSP Review meeting has occurred.
- Participate in all reviews of the IFSP (six-month and annual) and in formal change reviews of the plan as appropriate.
- Complete ratings of child progress for the Early Childhood Outcomes summary process at the time of the child's exit from IDEA/Part C.

## **Non-Covered Activities and Services**

The following are NOT Medicaid-reimbursable activities/services. For additional guidance, please visit the appropriate Medicaid Manual at https://scdhhs.gov/provider-manual-list.

- Activities on behalf of deceased children or their families.
- Appointment reminders.
- Attempted phone calls, home visits or attempted face to face contacts.
- Attending provider, regional, and/or central office training or other agency training. IDEA/Part C and Medicaid only pay for meetings attended as a member of a child's IFSP team.
- Billing for services after the IFSP expires.
- Billing for services if the provider has not completed all credential requirements within the required time period frame.
- Clerical duties such as scheduling, confirming, and/or canceling appointments and notifying the provider of such, accessing voice mail, copying, filing, mailing reports, etc.

- Delivering services prior to the development/review of the IFSP, or in excess of what is authorized on the IFSP.
- Delivery of services at agency-sponsored events or functions.
- Delivery of services by personnel that do not have an IDEA/Part C provider contract except when specifically approved by IDEA/Part C State Office.
- Delivery of services directly to the child in the absence of a parent or caregiver.
- Delivery of services to a child in an institutional setting.
- Delivery of services to children who reside in a nursing home, a correctional facility, or an intermediate care facility.
- Developing activities in bulk for multiple children. Activities must be individualized and based on the needs of the child and family.
- Developing and/or mailing form letters that do not substantiate a billable activity specific to the child and/or reflective of a child's need.
- Helping the family identify/access other services/resources that IDEA/Part C does not pay for or time spent collecting medical documents or other written medical information from physicians, hospitals, nurses, etc. **Exception:** Service Coordinators.
- Internet searches.
- Medicaid eligibility determinations, redeterminations, or verification of Medicaid number.
- Observing a child. **Exception:** Observation for assessment and IFSP development purposes.
- Participating in court sessions related to a child or family.
- Preparing claims for reimbursement, regardless of payor source.
- Providing emotional support. **Exception:** Intake Coordinators and Service Coordinators may bill for providing information in a crisis.
- Providing more than one Part C service on the same day at the same time, unless providing any of the following:
  - Foreign language or sign language interpretation.
  - Health services.
  - Nursing services.
  - o Services related to positioning or use of an AT device.
  - o Participation in an IFSP Team Meeting.
- Providing services during routines or activities not identified in an IFSP.
- Providing unauthorized services Services not authorized on an IFSP
- Re-examining records (record reviews) for the purposes of familiarization.
- Services provided outside of the family's natural environments without review and authorization by the IFSP team.
- Submitting changes to any beneficiary information system, data tracking system, review of documents regarding such systems, entering/updating information previously decided with parent or professional.
- Supervisory time.
- Time spent writing service logs.
- Transportation of child or family for any purpose, including traveling to and from Part C service visits, including transportation to and from medical appointments with the family, and no shows.
- Weekly or daily preparatory activities for direct service sessions.

### **General Supervision and Monitoring**

Timely provision of early intervention services is a state performance indicator reported to the U.S. Department of Education each year in the Annual Performance Report (APR).

Should the EIS provider fail to meet the state definition of timely service delivery, the IDEA/Part C State Office will require the EIS provider to submit all documentation necessary to demonstrate sustained correction of any finding(s) of non-compliance. All correction must occur within one year of identification of the finding, per the IDEA/Part C general supervision and monitoring procedures in effect at the time the finding is issued.

#### **Provision of EIS Services**

### **Service Coordinator Responsibilities in Service Provision:**

The Service Coordinator authorizes all services to be reimbursed by IDEA/Part C by placing them on the Individualized Family Service Plan (IFSP) in BRIDGES as follows:

- If the family does not have Medicaid coverage, parental consent to use private insurance is required to cover the cost of early intervention services and must be documented by service on the planned services screen in BRIDGES. It is the responsibility of the Service Coordinator to input the correct consent status. It may be necessary for the Service Coordinator to contact the insurance company to verify carrier codes and coverage. Please see Attachment 3 of this Appendix for additional guidance on this payor source.
- Parental consent to use Medicaid is **not** required.
- Services must be documented in the "Planned Services" section of the IFSP and prior authorization received (if required) before IFSP services can be initiated by the EIS provider. If the child is enrolled in one of SCDHHS' Managed Care Organizations (MCO), the Service Coordinator must send a hardcopy of the IFSP and the MCO Universal BabyNet Prior Authorization (PA) form to the MCO for the PA process to proceed.

Service Coordinators must correctly enter the following for each planned service:

- Type of early intervention service
- Name of EIS provider.
- Name of licensed professional providing supervision to licensed therapy assistants.
- The name of the individual providing supervision for service coordination can be entered for coverage of service coordination during staff absences or so they can access the record following staff resignation or termination. The Service Coordinator should follow their company/agency procedures in adding their supervisor as a separate line of service coordination in Planned Services.
- Location in which service will be delivered.
- How long (duration) the provider will work with the family and child (e.g., number of minutes per service event).
- How often (frequency) the provider will work with the family and child (e.g., weekly, monthly, quarterly, twice a year).
- The start date and end date the service is authorized for. All services must be reviewed and if appropriate reauthorized every six months through periodic review of the IFSP.

In coordination with the SCDHHS Medicaid system, BRIDGES will ensure that IDEA/Part C service funds are used as payor of last resort. See procedures for System of Payments for documentation of parent consent to use private insurance.

IFSP meetings must also be listed on the "Planned Services" section of the IFSP for each EIS Provider listed on the plan.

# **EIS Provider Responsibilities in Service Provision:**

All EIS providers are responsible for making sure they review the IFSP in BRIDGES prior to rendering the service to ensure that information shown on the "Planned Services" screen is correct. Service events occurring outside the start date or end date will not be reimbursed. Following each service event, the EIS provider is responsible for entering a service log in BRIDGES within 7 calendar days.

If the service was provided by a licensed therapy assistant, both Planned Services and service logs must reflect the supervision of the assistant at the frequency required by the South Carolina Department of Labor, Licensing, and Regulations (SCLLR).

# Procedures for Billing and Reimbursement for EIS Providers

A procedure code table for Early Intervention Services is listed in Attachment 2 of this document. The fee schedules for IDEA/Part C services can be found at <a href="https://scdhhs.gov/resource/fee-schedules">https://scdhhs.gov/resource/fee-schedules</a>. Please note that only the codes listed on the table in Appendix A are reimbursable. Additional procedure codes on the fee schedules, but not listed in the code table, are not reimbursable.

Steps for submission of claims and billing are included in Attachment 3 of this Appendix.

| Attachi | nent 3: Submitting Claims for IDEA/Part C Early Intervention Services   |
|---------|---|
| Step    | Submitting Claims for IDEA/Part C Early Intervention Services   |
| 1       | Provider confirms with Service Coordinator that service payor is correct in BRIDGES.  NOTE: IDEA/Part C must always be Payor 1 for all assistive technology services and devices, foreign language interpretation, foreign language translation, transportation, and compensatory services.  NOTE: Private Insurance will never be Payor 1 for service coordinator or special instruction services. |
| 2       | Provider secures Prior Authorization from payor source before initiation of services (see table below).   |
| 3       | Provider delivers services as documented in IFSP.   |
| 4       | Provider enters service log in BRIDGES and clicks 'Save.'   |
| 5       | The saved service log is captured as BRIDGES Accounts Payable journal entry.  |
| 6       | If Payor 1 is IDEA/Part C, Medicaid fee-for-service (FFS), or a Medicaid MCO, no additional action is required on the part of the provider.   |
| 7       | If Payor 1 is Private Insurance, the provider enters the amount of private insurance reimbursement on the Accounts Payable screen and clicks 'Save.' The provider keeps EOB on file for 3 years from the date of service.   |
| 8       | For all payor sources, BRIDGES Accounts Payable journal entries are transferred to MMIS for claims processing.  |
| 9       | Clean claims are paid through SCEIS; Provider receives separate remittance notices for services paid by Medicaid, services paid by Medicaid MCO, and services paid by IDEA/Part C.  |

# **Attachment 4: Definitions**

<u>Coinsurance</u> - The dollar amount or percentage the policy holder pays. For example, with an "80/20 plan," the health plan would pay 80% of the bill and the policy holder would pay 20%. The 20% is the coinsurance.

<u>Concerns</u> – What the family members identify as needs, issues, or problems they want to address as part of the IFSP process.

<u>Copayment</u> – A fee paid for each doctor's office visit, medical service, or prescription. For example, a health plan may have a \$10 copayment for doctor's office visits. This means that for every doctor's visit, the patient would pay just \$10.

<u>Deductible</u> - The amount of money the patient must pay before the health plan will pay its share. For example, a health plan with a \$250 deductible requires the patient to reach that amount before the health plan begins paying.

<u>Direct service</u> – Treatment services provided directly to an eligible child or an eligible child's family in accordance with their IFSP.

<u>Documentation</u> – A chronological written account kept by the provider of all dates of services provided to or on behalf of a child and family. This includes IFSP meetings time and the results of all diagnostic tests and procedures administered to a child. All documentation must be readable and understandable to families and to persons who will monitor or audit the provider's billing.

<u>Evaluation</u> – The procedures used by appropriate qualified personnel to determine a child's initial and continuing eligibility under IDEA/PART C, consistent with the state's definition of eligibility including determining the status of the child in each of the developmental areas listed in the state's definition.

<u>MCO</u> – Managed Care Organization – A commercial health insurance plan that relies heavily on a network of providers and will typically require documentation and a standardized process to cover providers outside the network.

<u>IFSP Outcome</u> - A statement of the change's family members wants to see for their child or themselves. Outcomes must be written in a family-friendly manner that reflects the needs and priorities of the family. Outcomes must focus on skills that increase the child's meaningful participation in the family's home and community routines and activities, and be measurable, containing criteria, procedures, and timelines to help determine when the outcome is met.

<u>IFSP meetings</u> – Attendance at IFSP meetings as a member of a child/family service team to assist in the completion of a written document on the IFSP form detailing individualized outcomes for the child and family, services based upon the unique needs of the child and family, and transition strategies. This definition includes periodic review of a child's IFSP every six months or more frequently if conditions warrant or if the family requests such a review.

<u>Medicaid</u> – A federally assisted program to help with medical expenses of eligible low-income families. It is administered through the S.C. Department of Health and Human Services.

Need – A condition or situation in which something is essential, necessary, or required.

PPO – Preferred Provider Organization – A commercial health insurance plan that contracts with a network of

preferred providers but will reimburse at a lower rate for out-of-network providers.

<u>Prior Authorization</u> – Authorization by payor source, verifying coverage, is required prior to delivery of services on the IFSP.

<u>Priorities</u> – A family's choices and agenda for how IDEA/Part C will be involved in the family life.

<u>Private insurance – Group</u> (HMO or PPO) – Group insurance is usually offered through an employer. The employer may purchase a policy from an insurance company or may administer its own (self-insured) plan. Coverage varies with each plan.

<u>Private insurance – Individual</u> (HMO or PPO) – Health insurance is purchased out-of-pocket directly from an insurance company to cover one or more members of a family. Coverage varies widely with each plan.

<u>Provider</u> - Any individual or group of individuals that provide a service such as physicians, therapists, etc.

<u>Resources</u> – The strengths, abilities, and formal or informal supports that can be mobilized to meet the family's concerns, needs, or outcomes.

<u>Review parameters</u> – High end of the usual range of prescribed intervention for children receiving IDEA/Part C services. If the IFSP team determines that IDEA/PART C Services are needed at a level above the customary review parameter, prior authorization must be submitted to IDEA/Part C Central Office.

<u>Valid denial</u> – A written statement from an insurer or an EOB containing the child's name, specific service, date of service, and justification for denial.

<u>Under the supervision of</u> - Work performed under the guidance and direction of a supervisor who is responsible for supervision of the work and who plans work and methods.

<u>Units of service</u> – Procedures for determining units of service are the same as the established CMS/Medicaid guidelines.
