Plan/Accounting of how these funds will be spent:		
Description	Budget	Explanation
New facility construction	\$2,000,000.00	
Grand Total	\$2,000,000.00	

Please explain how these funds will be used to provide a public benefit:

Meals on Wheels will use these funds as part of our capital campaign to build a new facility for our organization. Our current facility is over 35 years old and will soon be unable to meet the growing needs of the homebound and seniors in Greenville County. MOW has outgrown the ability of our current facility to meet the need and demand for our services. The U.S. Census Bureau estimates that 27 percent of South Carolina's population will be 60 or older by the year 2030. This rapidly growing senior population makes up most Meals on Wheels of Greenville's clients. A new facility will directly expand our capacity to operate all our programs, thus alleviating food insecurity, poor nutrition, and social isolation in the homebound and senior populations. Food insecure seniors are 60% more likely to have congestive heart failure or heart attack, and three times more likely to suffer from depression. (Source: Meals on Wheels America. Hunger in Older Adults. Challenges and Opportunities for the Aging Services Network. February 2017).
