#### Why must I return this form?

• Please return this form by the due date.

MEDICAID

- If this completed form is returned by the due date, current benefits may continue.
- Once we complete the review, we will send a notice with the updated eligibility decision.
- If we do not receive this form by the due date, we will send a notice listing the date when your Medicaid will end.

### What if my household has changed?

• If a member has moved out of your home, indicate that they no longer live with you. If someone has moved into your home, use the New Household member page to add them.

#### What do I need to complete this form?

- Social Security Numbers (or document numbers for any legal immigrants who need insurance)
- Employer & income information for everyone in your family (paystubs, W-2 forms, tax statements)
- Policy numbers for any current health insurance
- Information about various assets (property, vehicles, etc.)
- You must continue to be eligible for your Medicare Part B premiums to be paid under the QI program unless you are notified that you no longer qualify.

#### Proof of income

- If you would like to save time, you can attach proof of wages or other income with this review form.
- Wages from employer: Include income, including tips, for the 4 weeks prior to the date you received this review. Examples of proof of wages include check stubs, award letters, printouts, or a statement on letterhead from the company, agency, or payor.
- **If self-employed**, you may attach your most recent tax return (IRS Form 1040, 1040-EZ or 1040-A). Provide all tax returns and schedules, both personal and business (Schedule C), if applicable.
- If income from a retirement or investment account, provide **entire financial account statements** (not account summaries), for the 4 weeks prior to the date you received this review.

#### What are assets?

- Assets are things that you own, such as cars, boats, non-homestead property, bank accounts, cash and CDs.
- Equity value is how much something is worth minus any money owed on it. (For example, if you have a vehicle that is valued at \$5,000 and you owe \$2,000 the equity value is \$3,000.)
- Do not count values of the home you live in or up to two vehicles.

## STEP 6

Please read the following rights and responsibilities. If you disagree with a statement, your eligibility for programs may be impacted.

- 1. I know that under federal law, discrimination isn't permitted on the basis of race, color, national origin, sex, age, or disability. I can file a complaint of discrimination by calling (888) 808-4238 (TTY: 1-888-842-3620) or writing to Civil Rights Division, SCDHHS, P.O. Box 8206, Columbia, SC 29202-8206.
- 2. I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell the agency and may not have to cooperate.
- 3. I assign and give my rights to any payments from a liable third party to the SCDHHS up to the payment amount that Healthy Connections has made for my medical care. This assignment applies to any of my minor children who may be injured. These payments may include payments from health insurance, legal settlements, or other third parties. I also understand that I have a duty to cooperate in identifying and providing information to assist Healthy Connections in pursuing third parties who may be liable to pay for care and services.
- 4. I understand that I must cooperate fully with state and federal workers if my case is reviewed. I also understand that, as a condition of eligibility, I must apply for and take steps to obtain any other benefits, including but not limited to annuities, pensions, retirement, disability and other benefits.
- 5. As an applicant/beneficiary for Medicaid services, I understand that there are two groups of people that are affected by estate recovery:
  - A person of any age who was a patient in a nursing facility, intermediate care facility for the intellectually disabled, or other medical institution at the time of death, and who was required to pay most of his/her income for the cost of care: or
  - A person who was 55 years of age or older when he/she received medical assistance consisting of nursing facility services, home and community based services, and hospital and prescription drug services provided to individuals in nursing facilities or receiving home community-based services. I understand that upon receiving any of these services, SCDHHS will file a claim against my estate (all personal and real property owned by me at my death) for the amount Medicaid has paid for my services.
- 6. I know that I must tell SCDHHS within 10 days if any information I listed on this review changes and is different than what I wrote on this review. I understand that a change in my information could affect the eligibility for member(s) of my household.
- The information I provide on this review and in future interaction with SCDHHS will be used to check my 7. eligibility for help paying for health coverage, if I choose to apply. If the information I provide doesn't match electronic data, I may be asked to send proof. I know that, unless I specifically ask to be excluded, information collected will be securely stored in order to be sure that services provided to my family and me are sufficient and necessary.
- 8. If I think SCDHHS, the agency that administers Healthy Connections, the state's Medicaid program, has made an error I can appeal its decision. To appeal means to tell someone at SCDHHS that I think the action is wrong, and ask for a fair hearing. I must submit a request for such a hearing to SCDHHS in writing, by phone, in

person or I may appeal online at www.scdhhs.gov/appeals. I know that I may represent myself or be represented by someone other than myself.

 I know that personal health information I provide or that is later gathered by SCDHHS is covered by the Health Insuranc Portability and Accountability Act of 1996 (HIPAA) and I will receive a Notice of Privacy Practices along with my Healthy Connections Card(s).

Does any child on this revi	ew have a parent living outside o	of the home? Yes No
-----------------------------	-----------------------------------	---------------------

I confirm that no one applying for health insurance on this review is incarcerated (detained or jailed). If not,

is incarcerated.

#### Renewal of coverage in future years

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow Medicaid or the Health Insurance Marketplace to use income data, including information from tax returns. Medicaid will send me a notice, let me make any changes, and I can opt out at any time.

Yes, renew my eligibility automatically for the next:

$\Box$ 5 years (the maximum number of years allowed), or for a shorter number of years:						
4 years	🗌 3 years	2 years	🗌 1 year	Don't use information from tax returns to renew my		
coverage.						

**By signing, I state that I have read and agree to the rights and responsibilities stated on this review.** I am signing this application under penalty of perjury. This means I have provided true answers to all the questions on this form to the best of my knowledge. I know that if I am not truthful, there may be a penalty under federal law.
