MCO REPORTS TO SCDHHS

This Reports Companion Guide is specifically designated for reporting formats that are either required by the Division of Managed Care or are sent to the MCO's in relation to a department initiative. Details regarding the reports can be found in both the contract and the Managed Care Policy and Procedure Guide. All reports received by SCDHHS must be dated for the reporting month, quarter or year being detailed in the report (see below for specific examples and exceptions).

Monthly-- Example: *"Call Center Performance_201602"*

Explanation: Report Name then Calendar Year and Reporting Month (ex. February 2016 data submitted by March 15, 2016)

Quarterly-- Example: *"Provider Dispute Log_2016FQ1"*

Explanation: Report Name then State Fiscal Year and Fiscal Quarter (ex. July – September 2015 data submitted by October 31, 2016)

***** The Report Name should match the Report Requirements Full List below.**

If you have no data to report (ex: Manual Maternity Kicker or TPL COB Savings for pharmacy), still submit the appropriate template and designate that you have 'nothing to report'.

Exceptions: The standard file naming convention does not affect the Encounter Submission Summary, Provider Network file, nor PCMH files. See appropriate sections of this document or the report template for specific naming convention.

Specific Program Integrity (PI) or Third Party Liability (TPL) reports that are submitted directly to the PI SharePoint site or to an FTP site, do not need to be submitted to the Division of Managed Care/MCO SharePoint site.

Section 3.6: Manual Maternity Kicker

MCO maternity kicker payments for newborns enrolled in an MCO during the first three months of life will have the monthly automated maternity kicker payment calculated as part of the monthly automated/systemic capitation process.

For those cases where the MCO did not receive a maternity kicker payment through the automated/systemic process, and in cases where there is a stillborn birth, the MCO of the enrolled mother must submit the Manual Maternity Kicker reporting template found in the report companion guide and at the following location, in order to request payment.

<https://msp.scdhhs.gov/managedcare/site-page/excel-report-templates>

The MCO is expected to work with the eligibility team to obtain accurate and complete information on newborns when this information is not known to the MCO.

Requests for manual maternity kicker payments may only be made between the fourth and sixth month after birth. The table on the following page below indicates for each birth month, when the manual maternity kicker payments may be submitted. SCDHHS, at its discretion, may consider payments beyond this timeline.

Completed forms are to be uploaded to the Department's SharePoint site in the MCO's monthly libraries. Once uploaded to SharePoint the Department will review the submissions for appropriateness and submit a Gross Level Adjustment for any maternity kicker payments due to the MCO. A copy of the MCO's submitted Maternity Kicker Template will be returned to the MCO upon processing of the requests. Any payments made will be indicated on the form.

In order to be processed as a manual maternity kicker for newborns and stillborns, the form must be completed as follows:

- 1) In months one (1)- five (5):
 - a) For newborns: All fields on the form must be completed for the mother AND the newborn. Entries that are incomplete will not be processed. The MCO will need to resubmit these entries in a subsequent acceptable period.
 - b) For Stillborns: All fields on the form must be completed for the mother and the date of birth must be completed for the stillborn. Encounter records will be used to validate these deliveries.

Managed Care Report Companion Guide

2) In month six (6):

- a) For newborns: At a minimum, all fields for the mother must be completed and the child's date of birth and sex must be completed.

SCDHHS will review the accepted encounter transactions for the mother in month 6 when the newborn's name and Medicaid ID are not indicated on the maternity kicker payment notification log, searching for a diagnosis and/or a procedure code that indicates a delivery.

SCDHHS will process any maternity kicker reported in month 6 when SCDHHS reviewed encounter records confirm the delivery.

There are four (4) worksheet tabs to this report. Worksheet one (1) is a review of the instructions. With respect to worksheets two (2) through four (4), please note that as of the 2017 version of NCQA's PCMH Recognition standards, NCQA no longer uses a leveling system for its PCMH Recognition program; however, some practices continue to be recognized under older versions of PCMH Recognition standards (e.g. the 2014 version of NCQA's PCMH Recognition standards. For purposes of the PCMH incentive, NCQA PCMH Recognition under the 2017 version of NCQA's standards is equivalent to a Level III under older versions of the PCMH Recognition standards.

Worksheet two (2) is utilized for level 1 PCMH providers, worksheet three (3) is for the level 2 PCMH providers, and worksheet four (4) is for both the level 3 PCMH providers and any providers recognized under NCQA PCMH Recognition standards as of 2017 or later.

APPENDIX A

REGULATION 69-70 – ANNUAL AUDITED FINANCIAL REPORTING REGULATION

Section 1. Authority

This regulation is promulgated by the Director of Insurance (Director) of the South Carolina Department of Insurance (Department) pursuant to Section 38-3-110 of the South Carolina Code of Laws.

Section 2. Purpose and Scope

The purpose of this regulation is to improve the Department's surveillance of the financial condition of insurers, as defined in Section 3, by requiring (1) an annual audit of financial statements reporting the financial position and the results of operations of insurers by independent certified public accountants, (2) Communication of Internal Control Related Matters Noted in an Audit, and (3) Management's Report of Internal Control over Financial Reporting.

Every insurer shall be subject to this regulation. Insurers having direct premiums written in this state of less than \$1,000,000 in any calendar year and less than 1,000 policyholders or certificate holders of direct written policies nationwide at the end of the calendar year shall be exempt from this regulation for the year (unless the Director makes a specific finding that compliance is necessary for the Director to carry out statutory responsibilities) except that insurers having assumed premiums pursuant to contracts and/or treaties of reinsurance of \$1,000,000 or more will not be so exempt.

Foreign or alien insurers filing the Audited Financial Report in another state, pursuant to that state's requirement for filing of Audited Financial Reports, which has been found by the Director to be substantially similar to the requirements herein, are exempt from Sections 4 through 13 of this regulation if:

A copy of the Audited Financial Report, Communication of Internal Control Related Matters Noted in an Audit, and the Accountant's Letter of Qualifications that are filed with the other state are filed with the Director in accordance with the filing dates specified in Sections 4, 11 and 12, respectively (Canadian insurers may submit accountants' reports as filed with the Office of the Superintendent of Financial Institutions, Canada).

A copy of any Notification of Adverse Financial Condition Report filed with the other state is filed with the Director within the time specified in Section 10.

Foreign or alien insurers required to file Management's Report of Internal Control over Financial Reporting in another state are exempt from filing the Report in this state provided the other state has substantially similar reporting requirements and the Report is filed with the commissioner of the other state within the time specified.

This regulation shall not prohibit, preclude or in any way limit the Director from ordering or conducting or performing examinations of insurers under the rules and regulations of the Department and the practices and procedures of the Department.

requesting an extension and determination by the Director of good cause for an extension. The request for extension must be submitted in writing not less than ten days prior to the due date in sufficient detail to permit the Director to make an informed decision with respect to the requested extension.

However, in the first year in which an insurer is required to file an Audited Financial Report, the comparative data may be omitted.

Section 6. Designation of Independent Certified Public Accountant

Each insurer required by this regulation to file an annual Audited Financial Report, within sixty days after becoming subject to the requirement, shall register with the Director in writing the name and address of the independent certified public accountant or accounting firm retained to conduct the annual audit set forth in this regulation. Insurers not retaining an independent certified public accountant on the effective date of this regulation shall register the name and address of their retained independent certified public accountant not less than six months before the date when the first Audited Financial Report is to be filed.

The insurer shall obtain a letter from the accountant and file a copy with the Director stating that the accountant is aware of the provisions of the insurance code and the regulations of the insurance department of the state of domicile that relate to accounting and financial matters and affirming that the accountant will express an opinion on the financial statements in terms of their conformity to the statutory accounting practices prescribed or otherwise permitted by that insurance department, specifying such exceptions as the accountant may believe appropriate.

If the accountant who was the insurer's accountant for the immediately preceding filed Audited Financial Report is dismissed or resigns, the insurer shall notify the Director within five business days of this event. The insurer shall also furnish the Director with a separate letter within ten business days of the above notification stating whether in the twenty-four months preceding the event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of the former accountant, would have caused the accountant to make reference to the subject matter of the disagreement in connection with the opinion. The disagreements required to be reported in response to this section include those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Disagreements contemplated by this section are those that occur at the decision-making level, i.e., between personnel of the insurer responsible for presentation of its financial statements and personnel of the accounting firm responsible for rendering its report. The insurer also in writing shall request the former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the reasons for the disagreement; and the insurer shall furnish the responsive letter from the former accountant to the Director together with its own.

Section 7. Qualifications of Independent Certified Public Accountant

The Director shall not recognize a person or firm as a qualified independent certified public accountant if the person or firm:

1. Is not in good standing with the AICPA and in all states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant; or
2. Has either directly or indirectly entered into an agreement of indemnity or release from liability, collectively referred to as indemnification, with respect to the audit of the insurer.

Except as otherwise provided in this regulation, the Director shall recognize an independent certified public accountant as qualified as long as the accountant conforms to the standards of the profession, as contained in the AICPA Code of Professional Conduct and the regulations of the South Carolina Board of Accountancy, or similar code.

A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, in the event of a delinquency proceeding commenced against the insurer under Chapter 27 of Title 38 of the South Carolina Code of Laws, the mediation or arbitration provisions shall operate at the option of the statutory successor.

The lead or coordinating audit partner having primary responsibility for the audit may not act in that capacity for more than five consecutive years. The person shall be disqualified from acting in that or a similar capacity for the same insurer or its insurance subsidiaries or affiliates for a period of five consecutive years. An insurer may make application to the Director for relief from the above rotation requirement on the basis of unusual circumstances. This application should be made at least thirty days before the end of the calendar year. The Director may consider the following factors in determining if the relief should be granted:

1. Number of partners, expertise of the partners or the number of insurance clients in the currently registered firm;
2. Premium volume of the insurer; or
3. Number of jurisdictions in which the insurer transacts business.

The insurer shall file, with its annual statement filing, the approval for relief from Subsection D with the states that it is licensed in or doing business in and with the NAIC. If the non-domestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

The Director shall not recognize as a qualified independent certified public accountant or accept any annual Audited Financial Report prepared in whole or in part by any person who:

1. Has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. Section 1961 et seq., or any dishonest conduct or practices under federal or state law;
2. Has been found to have violated the insurance laws of this state with respect to any previous reports submitted under this regulation; or
3. Has demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of this regulation.

The Director, pursuant to statute, may hold a hearing to determine whether an independent certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing his or her opinion on the financial statements in the annual Audited Financial Report made pursuant to this regulation and require

the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this regulation.

The Director shall not recognize as a qualified independent certified public accountant or accept an annual Audited Financial Report prepared in whole or in part by an accountant who provides to an insurer, contemporaneously with the audit, the following non-audit services:

1. Bookkeeping or other services related to the accounting records or financial statements of the insurer;
2. Financial information systems design and implementation;
3. Appraisal or valuation services, fairness opinions, or contribution-in-kind reports;
4. Actuarially-oriented advisory services involving the determination of amounts recorded in the financial statements.

The accountant may assist an insurer in understanding the methods, assumptions and inputs used in the determination of amounts recorded in the financial statement only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements. An accountant's actuary may also issue an actuarial opinion or certification ("opinion") on an insurer's reserves if the following conditions have been met:

1. Neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions;
2. The insurer has competent personnel (or engages a third-party actuary) to estimate the reserves for which management takes responsibility; and
3. The accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves;
4. Internal audit outsourcing services;
5. Management functions or human resources;
6. Broker or dealer, investment adviser, or investment banking services;
7. Legal services or expert services unrelated to the audit; or
8. Any other services that the Director determines, by regulation, are impermissible.

In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three basic principles, violations of which would impair the accountant's independence. The principles are that the accountant cannot function in the role of management, cannot audit their own work, and cannot serve in an advocacy role for the insurer.

Insurers having direct written and assumed premiums of less than \$100,000,000 in any calendar year may request an exemption from Subsection H. The insurer shall file with the Director a written statement discussing the reasons why the insurer should be exempt from these provisions. An exemption may be granted if the Director finds, upon review of this statement, that compliance with this regulation would constitute a financial or organizational hardship upon the insurer.

A qualified independent certified public accountant who performs the audit may engage in other non-audit services, including tax services, that are not described in Subsection H or that do not conflict with Subsection I, only if the activity is approved in advance by the Audit Committee, in accordance with Subsection L.

All auditing services and non-audit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be pre-approved by the Audit Committee. The pre-approval requirement is waived with respect to non-audit services if the insurer is a SOX compliant entity or a direct or indirect wholly-owned subsidiary of a SOX compliant entity or:

1. The aggregate amount of all such non-audit services provided to the insurer constitutes not more than five percent of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the non-audit services are provided;
2. The services were not recognized by the insurer at the time of the engagement to be non-audit services; and
3. The services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the Audit Committee.

The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant the pre-approvals required by Subsection L. The decisions of any member to whom this authority is delegated shall be presented to the full Audit Committee at each of its scheduled meetings.

The Director shall not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer, was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due. This section shall only apply to partners and senior managers involved in the audit. An insurer may make application to the Director for relief from the above requirement on the basis of unusual circumstances.

The insurer shall file, with its Annual Statement filing, the Director's letter granting relief from Subsection N with the states in which it is licensed or doing business and with the NAIC. If the non-domestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

Section 8. Consolidated or Combined Audits

An insurer may make written application to the Director for approval to include in its Audited Financial Report audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a

pooling or one hundred percent reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report, as follows:

1. Amounts shown on the consolidated or combined Audited Financial Report shall be shown on the worksheet;
2. Amounts for each insurer subject to this section shall be stated separately;
3. Noninsurance operations may be shown on the worksheet on a combined or individual basis;
4. Explanations of consolidating and eliminating entries shall be included; and
5. A reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual Statements of the insurers.

Section 9. Scope of Audit and Report of Independent Certified Public Accountant

Financial statements furnished pursuant to Section 5 shall be examined by the independent certified public accountant. The audit of the insurer's financial statements shall be conducted in accordance with generally accepted auditing standards. In accordance with Auditing (AU) Section 319 of the AICPA Professional Standards, Consideration of Internal Control in a Financial Statement Audit, the independent certified public accountant shall obtain an understanding of internal control sufficient to plan the audit. To the extent required by AU Section 319, for those insurers required to file a Management's Report of Internal Control over Financial Reporting pursuant to Section 16, the independent certified public accountant should consider (as that term is defined in Statements on Auditing Standards (SAS) No. 102 of the AICPA Professional Standards, Defining Professional Requirements in Statements on Auditing Standards or its replacement) the most recently available report in planning and performing the audit of the statutory financial statements. Consideration shall be given to the procedures illustrated in the Financial Condition Examiners Handbook promulgated by the National Association of Insurance Commissioners as the independent certified public accountant deems necessary.

Section 10. Notification of Adverse Financial Condition

- A. The insurer required to furnish the annual Audited Financial Report shall require the independent certified public accountant to report, in writing, within five business days to the board of directors or its Audit Committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the Director as of the balance sheet date currently under audit or that the insurer does not meet the minimum capital and surplus requirement of the South Carolina Code of Laws as of that date. An insurer that has received a report pursuant to this paragraph shall forward a copy of the report to the Director within five business days of receipt of the report and shall provide the independent certified public accountant making

the report with evidence of the report being furnished to the Director. If the independent certified public accountant fails to receive the evidence within the required five business day period, the independent certified public accountant shall furnish to the Director a copy of its report within the next five business days.

- B. No independent certified public accountant shall be liable in any manner to any person for any statement made in connection with the above paragraph if the statement is made in good faith in compliance with Subsection A.
- C. If the accountant, subsequent to the date of the Audited Financial Report filed pursuant to this regulation, becomes aware of facts that might have affected his or her report, the Director notes the obligation of the accountant to take such action as prescribed in AU 561 of the AICPA Professional Standards, Subsequent Discovery of Facts Existing at the Date of the Auditor's Report.

Section 11. Communication of Internal Control Related Matters Noted in an Audit

- A. In addition to the annual Audited Financial Report, each insurer shall furnish the Director with a written communication as to any unremediated material weaknesses in its Internal control over financial reporting noted during the audit. Such communication shall be prepared by the accountant within sixty days after the filing of the annual Audited Financial Report, and shall contain a description of any unremediated material weakness (as the term material weakness is defined in SAS No. 112 of the AICPA Professional Standards, Communicating Internal Control Related Matters Identified in an Audit, or its replacement) as of December 31 immediately preceding (so as to coincide with the Audited Financial Report discussed in Section 4(A)) in the insurer's Internal control over financial reporting identified by the accountant during the course of the audit of the financial statements. If no unremediated material weaknesses were noted, the communication should so state.
- B. The insurer is required to provide a description of remedial actions taken or proposed to correct unremediated material weaknesses, if the actions are not described in the accountant's communication.
- C. The insurer is expected to maintain information about significant deficiencies communicated by the independent certified public accountant. The information should be made available to the examiner conducting a financial examination for review and kept in a manner as to remain confidential.

Section 12. Accountant's Letter of Qualifications

The accountant shall furnish the insurer in connection with, and for inclusion in, the filing of the annual Audited Financial Report, a letter stating:

- 1. That the accountant is independent with respect to the insurer and conforms to the standards of their profession as contained in the AICPA's Code of Professional Conduct and pronouncements of its Financial Accounting Standards Board and the South Carolina Board of Accountancy, or similar code;

2. The background and experience in general, and the experience in audits of insurers of the staff assigned to the engagement and whether each is an independent certified public accountant. Nothing within this regulation shall be construed as prohibiting the accountant from utilizing such staff as deemed appropriate where use is consistent with the standards prescribed by generally accepted auditing standards;
3. That the accountant understands the annual Audited Financial Report and that its opinion thereon will be filed in compliance with this regulation and that the Director will be relying on this information in the monitoring and regulation of the financial position of insurers;
4. That the accountant consents to the requirements of Section 13 of this regulation and that the accountant consents and agrees to make available for review by the Director, or the Director's designee or appointed agent, the workpapers, as defined in Section 13;
5. A representation that the accountant is properly licensed by an appropriate state licensing authority and is a member in good standing in the AICPA; and
6. A representation that the accountant is in compliance with the requirements of Section 7 of this regulation.

Section 13. Definition, Availability and Maintenance of Independent Certified Public Accountants Workpapers

- A. Workpapers are the records kept by the independent certified public accountant of the procedures followed, the tests performed, the information obtained, and the conclusions reached pertinent to the accountant's audit of the financial statements of an insurer. Workpapers, accordingly, may include audit planning documentation, work programs, analyses, memoranda, letters of confirmation and representation, abstracts of insurer documents and schedules or commentaries prepared or obtained by the independent certified public accountant in the course of his or her audit of the financial statements of an insurer and which support the accountant's opinion.
- B. Every insurer required to file an Audited Financial Report pursuant to this regulation, shall require the accountant to make available for review by Department examiners, all workpapers prepared in the conduct of the accountant's audit and any communications related to the audit between the accountant and the insurer, at the offices of the insurer, at the Department or at any other reasonable place designated by the Director. The insurer shall require that the accountant retain the audit workpapers and communications until the Department has filed a report on examination covering the period of the audit but no longer than seven years from the date of the audit report.
- C. In the conduct of the aforementioned periodic review by the Department examiners, it shall be agreed that photocopies of pertinent audit workpapers may be made and retained by the department. Such reviews by the department examiners shall be considered investigations and all working papers and communications obtained during the course of such investigations shall be afforded the same confidentiality as other examination workpapers generated by the department.

Section 14. Requirements for Audit Committees

This section shall not apply to foreign or alien insurers licensed in this state or an insurer that is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant Entity.

The Audit Committee shall be directly responsible for the appointment, compensation and oversight of the work of any accountant (including resolution of disagreements between management and the accountant regarding financial reporting) for the purpose of preparing or issuing the Audited Financial Report or related work pursuant to this regulation. Each accountant shall report directly to the Audit Committee.

Each member of the Audit Committee shall be a member of the board of directors of the insurer or a member of the board of directors of an entity elected pursuant to Subsection (A)(5) of this Section and Section 3(A)(C).

In order to be considered independent for purposes of this section, a member of the Audit Committee may not, other than in his or her capacity as a member of the Audit Committee, the board of directors, or any other board committee, accept any consulting, advisory or other compensatory fee from the entity or be an affiliated person of the entity or any subsidiary thereof. However, if law requires board participation by otherwise non-independent members, that law shall prevail and such members may participate in the Audit Committee and be designated as independent for Audit Committee purposes, unless they are an officer or employee of the insurer or one of its affiliates.

If a member of the Audit Committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the Director, may remain an Audit Committee member of the responsible entity until the earlier of the next annual meeting of the responsible entity or one year from the occurrence of the event that caused the member to be no longer independent.

To exercise the election of the controlling person to designate the Audit Committee for purposes of this regulation, the ultimate controlling person shall provide written notice to the commissioners of the affected insurers. Notification shall be made timely prior to the issuance of the statutory audit report and include a description of the basis for the election. The election can be changed through notice to the Director by the insurer, which shall include a description of the basis for the change. The election shall remain in effect for perpetuity, until rescinded.

The Audit Committee shall require the accountant that performs for an insurer any audit required by this regulation to timely report to the Audit Committee in accordance with the requirements of SAS No. 114 of the AICPA Professional Standards, The Auditor's Communication with those Charged with Governance, or its replacement, including:

1. All significant accounting policies and material permitted practices;
2. All material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer,

ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant; and

3. Other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

If an insurer is a member of an insurance holding company system, the reports required by Subsection (A)(6) may be provided to the Audit Committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the Audit Committee.

The proportion of independent Audit Committee members shall meet or exceed the following criteria:

| Prior Calendar Year Direct Written and Assumed Premiums | | |
|---|--|---|
| \$0 - \$300,000,000 | \$300,000,000- \$500,000,000 | Over \$500,000,000 |
| No minimum requirements. See also Note A and B. | Majority (50% or more) of members shall be independent. See also Note A and B. | Supermajority of members (75% or more) shall be independent. See also Note A. |

Note A: The Director has authority afforded by state law to require the insurer's board to enact improvements to the independence of the Audit Committee membership if the insurer is in a RBC action level event, meets one or more of the standards of an insurer deemed to be in hazardous financial condition, or otherwise exhibits qualities of a troubled insurer.

Note B: All insurers with less than \$500,000,000 in prior year direct written and assumed premiums are encouraged to structure their Audit Committees with at least a supermajority of independent Audit Committee members.

Note C: Prior calendar year direct written and assumed premiums shall be the combined total of direct premiums and assumed premiums from non-affiliates for the reporting entities.

An insurer with direct written and assumed premium, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than \$500,000,000 may make application to the Director for a waiver from the Section 14 requirements based upon hardship. The insurer shall file, with its annual statement filing, the approval for relief from Section 14 with the states that it is licensed in or doing business in and the NAIC. If the non-domestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

Section 15. Conduct of Insurer in Connection with the Preparation of Required Reports and Documents

No director or officer of an insurer shall, directly or indirectly:

1. Make or cause to be made a materially false or misleading statement to an accountant in connection with any audit, review or communication required under this regulation; or
2. Omit to state, or cause another person to omit to state, any material fact necessary in order to make statements made, in light of the circumstances under which the statements were made, not misleading to an accountant in connection with any audit, review or communication required under this regulation.

No officer or director of an insurer, or any other person acting under the direction thereof, shall directly or indirectly take any action to coerce, manipulate, mislead or fraudulently influence any accountant engaged in the performance of an audit pursuant to this regulation if that person knew or should have known that the action, if successful, could result in rendering the insurer's financial statements materially misleading.

For purposes of Subsection B, actions that, "if successful, could result in rendering the insurer's financial statements materially misleading" include, but are not limited to, actions taken at any time with respect to the professional engagement period to coerce, manipulate, mislead or fraudulently influence an accountant:

1. To issue or reissue a report on an insurer's financial statements that is not warranted in the circumstances (due to material violations of statutory accounting principles prescribed by the Director, generally accepted auditing standards, or other professional or regulatory standards);
2. Not to perform audit, review or other procedures required by generally accepted auditing standards or other professional standards;
3. Not to withdraw an issued report; or
4. Not to communicate matters to an insurer's Audit Committee.

Section 16. Management's Report of Internal Control over Financial Reporting

Each insurer required to file an Audited Financial Report pursuant to this regulation that has annual direct written and assumed premiums, excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, of \$500,000,000 or more shall prepare a report of the insurer's or group of insurers' Internal Control Over Financial Reporting, as these terms are defined in Section 3. The report shall be filed with the Director along with the Communicating Internal Control Related Matters Identified in an Audit described under *Section 11. Management's Report of Internal Control Over Financial Reporting* shall be as of December 31 immediately preceding.

Notwithstanding the premium threshold in Subsection A, the Director may require an insurer to file Management's Report of Internal Control Over Financial Reporting if the insurer is in any RBC level event or meets any one or more of the standards of an insurer deemed to be in hazardous financial condition as defined in S.C. Code Ann. Sections 35-5-120, 38-9-150, 38-9-360, and 38-9-440.

An insurer or a group of insurers that is:

1. directly subject to Section 404;
2. part of a holding company system whose parent is directly subject to Section 404;
3. not directly subject to Section 404 but is a SOX compliant entity; or
4. a member of a holding company system whose parent is not directly subject to Section 404 but is a SOX compliant entity;

may file its or its parent's Section 404 Report and an addendum in satisfaction of this Section's requirement provided that those internal controls of the insurer or group of insurers having a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements (those items included in Section 5(B)(2) through 5(B)(7) of this regulation) were included in the scope of the Section 404 Report.

The addendum shall be a positive statement by management that there are no material processes with respect to the preparation of the insurer's or group of insurers' audited statutory financial statements (those items included in Section 5(B)(2) through 5(B)(7) of this regulation) excluded from the Section 404 Report. If there are internal controls of the insurer or group of insurers that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements and those internal controls were not included in the scope of the Section 404 Report, the insurer or group of insurers may either file (i) a Section 16 report, or (ii) the Section 404 Report and a Section 16 report for those internal controls that have a material impact on the preparation of the insurer's or group of insurers' audited statutory financial statements not covered by the Section 404 Report.

Management's Report of Internal Control Over Financial Reporting shall include:

1. A statement that management is responsible for establishing and maintaining adequate internal control over financial reporting;
2. A statement that management has established internal control over financial reporting and an assertion, to the best of management's knowledge and belief, after diligent inquiry, as to whether its internal control over financial reporting is effective to provide reasonable assurance regarding the reliability of financial statements in accordance with statutory accounting principles;
3. A statement that briefly describes the approach or processes by which management evaluated the effectiveness of its internal control over financial reporting;
4. A statement that briefly describes the scope of work that is included and whether any internal controls were excluded;
5. Disclosure of any unremediated material weaknesses in the internal control over financial reporting identified by management as of December 31 immediately preceding. Management shall not conclude that the internal control over financial reporting is effective to provide reasonable assurance regarding the reliability of financial statements in accordance with statutory accounting principles if there are one or more unremediated material weaknesses in its internal control over financial reporting;
6. A statement regarding the inherent limitations of internal control systems; and

7. Signatures of the chief executive officer and the chief financial officer (or equivalent position/title).

Management shall document and make available upon financial condition examination the basis upon which its assertions, required in Subsection D, are made. Management may base its assertions, in part, upon its review, monitoring and testing of internal controls undertaken in the normal course of its activities.

Management shall have discretion as to the nature of the internal control framework used, and the nature and extent of documentation, in order to make its assertion in a cost effective manner and, as such, may include assembly of or reference to existing documentation.

Management's Report on Internal Control over Financial Reporting, required by Subsection A, and any documentation provided in support thereof during the course of a financial condition examination, shall be kept confidential by the Director.

Section 17. Exemptions

Upon written application of an insurer, the Director may grant an exemption from compliance with any provision or requirement of this regulation if the Director finds, upon review of the application, that compliance with this regulation would constitute a financial or organizational hardship upon the insurer. An exemption may be granted at any time and from time to time for a specified period or periods. Within ten days from a denial of an insurer's written request for an exemption from this regulation, the insurer may request in writing a hearing, pursuant to statute, on its application for an exemption. The hearing shall be held in accordance with the statutes of the Department pertaining to administrative hearing procedures.

Section 18. Canadian and British Companies

For Canadian and British insurers, the annual Audited Financial Report shall be defined as the annual statement of total business on the form filed by such companies with their supervision authority duly audited by an independent chartered accountant.

For such insurers, the letter required in Section 6B shall state that the accountant is aware of the requirements relating to the annual Audited Financial Report filed with the Director pursuant to Section 4 and shall affirm that the opinion expressed is in conformity with those requirements.

Section 19. Effective dates

Unless otherwise noted, the requirements of this regulation shall become effective for the reporting period ending December 31, 2010 and each year thereafter. An insurer or group of insurers not required to file a report because its total written premium is below the threshold that subsequently becomes subject to the reporting requirements shall have two years following the year the threshold is exceeded (but not earlier than December 31, 2010) to file the report. Likewise, an insurer acquired in a business combination shall have two calendar years following the date of acquisition or combination to comply with the reporting requirements.

The requirements of Section 7D shall become effective for audits of the year beginning January 1, 2010 and thereafter.

The requirements of Section 14 shall become effective on January 1, 2010. An insurer or group of insurers that is not required to have independent Audit Committee members or only a majority of independent Audit Committee members (as opposed to a supermajority) because the total direct written and assumed premium is below the threshold and subsequently becomes subject to one of the independence requirements due to changes in premium shall have one year following the year the threshold is exceeded (but not earlier than January 1, 2010) to comply with the independence requirements. Likewise, an insurer that becomes subject to one of the independence requirements as a result of a business combination shall have one calendar year following the date of acquisition or combination to comply with the independence requirements.

Section 20. Severability Provision

If any section or portion of a section of this regulation or its applicability to any person or circumstance is held invalid by a court, the remainder of the regulation or the applicability of the provision to other persons or circumstances shall not be affected.

General Instructions for Companies to Use Checklist

This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will not be sending their own checklist this year.

Electronic Filing is intended to include filing via the Internet or filing via diskette with the NAIC. Companies that file with the NAIC via the Internet are not required to submit diskettes to the NAIC. Companies are not required to file hard copy filings with the NAIC.

Column (1) (Checklist)

Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an “x” in this column when mailing information to the state.

Column (2) (Line #)

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)

Name of item or form to be filed.

Annual Statement Electronic Filing- includes the annual statement data and all supplements due March 1, per the Annual Statement Instructions. This includes all detail investment schedules and other supplements for which the Annual Statement Instructions exempt printed detail.

March .PDF Filing- the .pdf file for annual statement data, detail for investment schedules and supplements due March 1. The Risk-Based Capital Electronic Filing includes all risk-based capital data.

Risk-Based Capital .PDF Filing- the .pdf file for risk-based capital data.

Supplemental Electronic Filing- includes all supplements due April 1, per the Annual Statement Instructions. The Supplemental .PDF Filing is the .pdf file for all supplemental schedules and exhibits due April 1. The Quarterly Statement Electronic Filing includes the complete quarterly statement data.

Quarterly Statement .PDF Filing- is the .pdf file for quarterly statement data.

Combined Annual Statement Electronic Filing- includes the required pages of the combined annual statement and the combined Insurance Expense Exhibit. The Combined Annual Statement .PDF Filing is the .pdf file for the Combined annual statement data and the combined Insurance Expense Exhibit.

June .PDF Filing- the .pdf file for the Audited Financial Statements and Accountants Letter of Qualifications.

Column (4) (Number of Copies)

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (EX) Task Force modified the 1999 Annual Statement Instructions to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (EX) Task Force. XXX appears in the “Number of Copies” “Foreign” column for the appropriate schedules and exhibits. Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and to rely upon the NAIC

database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements.

Column (5) (Due Date)

Indicates the date on which the company must file the form.

Column (6) (Form Source)

This column contains one of three words: “NAIC,” “State,” or “Company.” If this column contains “NAIC,” the company must obtain the forms from the appropriate vendor. If this column contains “State,” the state will provide the forms with the filing instructions. If this column contains “Company,” the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC Annual Statement Instructions.

Column (7) (Applicable Notes)

This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.

APPENDIX B

REPORTING SENT THROUGH FTP SITE

FILES EXCHANGED BETWEEN SCDHHS AND MCOs

Updated: 05/25/2017

Basic rules for exchanging Electronic Data Interchange (EDI) files between South Carolina Department of Health and Human Services (SCDHHS) and a Managed Care entity will adhere to the following guidelines. These guidelines will work in conjunction with other documentation contained within this document. Additional documentation may be provided during implementation.

I. Naming Conventions

- a. These files are proprietary files.
- b. Files follow these naming conventions:
 - i. XXXXXX.YYYYYYYY
 1. where XXXXXX is the provider number assigned by DHHS (ex: HM0500)
 2. where YYYYYYYY is a descriptive extension of up to 8 characters (does not have to be 8, but at most, 8 characters). File may not always contain this node.
 - ii. Each node name (between the '.') has a max of eight characters.
 1. *Example: HM0500.ENCOUN.TEST*

II. Actual Files Sent to SSCDHHS From MCO

- a. XXXXXX.PROV (SENT VIA EDI)
 - i. This file must precede 837 and/or NCPDP submission of the encounters. The same day an encounter file is sent, the sender may also submit this non par provider file along with the 837 or NCPDP file. This will be sent via the MCO's EDI box (this is sent to the same place and via the same mode of transportation as the MCO's 837 and/or NCPDP). SCDHHS prefers a complete, cumulative Non-Par provider file.
 1. No control file is needed when sent to the EDI box.
- b. XXXXXX.TPL (SENT VIA C:D)
 - i. This full/complete file of all TPL information for each recipient for that given month is required to be submitted to DHHS by the eighth (8)th of the month. This file must be submitted even if there is no input. In the case of no input, a blank file must be submitted to SCDHHS.
- c. 837 (SENT VIA EDI)

- i. Each submission must be coordinated with DHHS. The sender must email the DHHS Information Systems Contact explaining how many files are being sent and the total number of records uploaded to the EDI box. There is not a standard naming convention. The translator will prepend and append data to the input file name. Please ensure that the TP's file name is not too long and is kept under 30 characters. Examples of possible file naming conventions can include:
 - 1. SC837IN_CCCCMDD_SEQ_X12.txt (Institutional file)
 - 2. SC837PR_CCCCMDD_SEQ_X12.txt (Professional file)
- ii. This file is requested no later than the twenty-fifth (25)th of the month. The MCO may submit a file daily but should not submit files on Saturdays or Sundays. There is a 5,000 record limit per file and a 15 file max per day (so 75,000 records per day max).
- iii. This file can also contain voids. The MCO has up to 18 months from the date an encounter was accepted at SCDHHS to void it.
- d. XXXXXX.FQHCRHC.SUMMARY (SENT VIA C:D)
 - i. This is the monthly wrap payment summary file and will be due by the 25th of the month.
- e. XXXXXX.CAP.PAYMENTS (SENT VIA C:D)
 - i. This is the monthly capitated payment summary file and will be due by the 25th of the month. *For example, if the MCO has 30 doctors that it sends a capitated payment each month, then there must be a record for each of the 30 doctors in this file, regardless of how many members each of these doctors sees during the month.*
 - ii. The figures in this file represent monthly NET totals. If the MCO runs into negative amounts, then use the capitated payment void file. SCDHHS cannot accept negative amounts.
- f. XXXXXX.CAP.PAYMENTS.VOID (SENT VIA C:D)
 - i. This is the monthly capitated void payment summary file and will be due by the 25th of the month. If the MCO does not have capitated payment voids, then do NOT send this file every month.

III. Files Uploaded

- a. Files may be uploaded at any point during the day. Files uploaded will be processed during the night. Do not upload files Saturday and Sunday.
- b. All proprietary files will be required to have a control file associated with it. Control file details are contained in the SCDHHS document named: 0016 Use of control files for EDI.doc. No control file is required for EDI files to be sent to the MCO's EDI box. Control files are required only for proprietary files sent via connect direct.

IV. Actual Files and File Names Sent to MCO From SCDHHS

- a. ZZZZZZ.ZZZZ.ZZZZZ (VIA EDI)
 - i. This is the return encounter file sent back to the MCO and is typically sent within one (1) business day after processing. This file will be sent via the MCO's EDI box in the form of a

277CA. If the MCO receives an initial 277, then submission passed compliance on all 837s. The MCO will then get back another 277 after encounters have processed. NCPCP submissions will only get back the 277 after encounters have processed. The second 277 will contain the edits.

b. XXXXXX.CLAIMS.HISTORY (VIA C:D)

- i. Historical Fee for Service (FFS) claims, not encounter data. This file contains the prior 24 months of FFS claims data for each member in the MCO's cutoff MLE file. History for those assigned to the plan between cutoff and the first (1)st of the month will be included in the following months FFS claims history extract. This file is also sent on or about the 5th of every month.
- ii. The claims history file created after cutoff will have about a 3 - 4 week lag in data because the claims history process uses the FFS archive files.
 1. *For example, in the February 2010 claims history files created on or around February 25th, the most current FFS claim DHHS had was January 26, 2010. This means the MCO would not be receiving any FFS claims from January 27, 2010 forward. When DHHS ran the claims history file on March 3, 2010, all FFS claims from February 22, 2010 were retrieved due to only 9 days of lag.*

iii. The claims history file for the MHNs is called SURE.CLAIMS.

c. XXXXXX.ENCOUNT.CLAIMHST (VIA C:D)

- i. This is 24 months of encounter data for the MCO's recipients. This file is sent on or around the 5th of every month.

d. XXXXXX.ENCOUNT.VOIDHST (VIA C:D)

- i. This is a file of any void encounters for the MCO's recipients. This file is sent on or around the 5th of every month.

e. MCXXXXXXX (VIA C:D)

- i. This is a complete provider file created at MGC cutoff.

f. RSXXXXXXX (VIA C:D)

- i. This is the MLE file created at MGC cutoff. It is also created on the first (1)st of the month. The first file is still an MLE but has special significance. During the MGC cutoff run, some recipients will be auto closed. These recipients will be reviewed, and if necessary, reinstated. All those reinstated will be reported in this file.
- ii. *Example: During the cutoff run for August, some recipients are auto closed. This means that the MCO will not get paid for them. During DHHS review, they are reinstated. They will be*

included in the MLE produced on the first (1)st of September. When the MGC cutoff run is completed for September (approximately the third (3)rd week of the month), the MCO will receive two premium payments. One payment will be retro for the payment missed in August, and the second payment will be for the current month of September. The MCO will be able to identify the retro payment.

- iii. If the member regains eligibility within 60 days of the disenrollment date, the member will be automatically re-enrolled with the Contractor.
- iv. If eligibility is regained after 60 days of the disenrollment date, the member will need to contract SCDHHS to initiate re-enrollment.
- v. Retro payment for newborns will be included in the MLE at MGC cutoff.
- g. XXXXXX.EPSDT.HIC (VIA C:D)
 - i. A special EPSDT system was developed, by DHHS, when the Federal EPSDT system was shut down. There are two files created with visit codes. One set for office visits and one set for injections. These files are created after the last payment run of the month. There is only 1 file that is sent on the 3rd Monday of each month.
- h. XXXXXX.REVIEW.FILE (VIA C:D) & XXXXXX.REVIEWC.FILE (VIA C:D)
 - i. Monthly file for re-certification (XXXXXX.REVIEW.FILE) is prepared by the fifth (5)th of each month. The other (XXXXXX.REVIEWC.FILE) is created around the seventeenth (17)th of each month. The recertification files contain the MCO's recipients whose Medicaid eligibility will be up for recertification (review/re-determination/renewal) in one (1) month.
- i. XXXXXX.IMMUN.FILE (VIA C:D)
 - i. SCDHHS gets the immunization file from DHEC around the second (2)nd Monday of the month. In the file includes all the MCO's eligible recipients that possess a record at DHEC of getting a shot. There are no date parameters on this file and

contains all shots on record at DHEC for the recipients. After DHHS receives the file, it will upload for each MCO.

- j. XXXXXX.RSS2170 (VIA C:D)
 - i. This is the daily membership file sent every weekday to each MCO with any changes to their membership. Sent by Maximus to each plan.
- k. Monthly Files for Pricing Information And Procedure Codes
 - i. These files are prepared by the fifth (5)th of each month and are sent via connect direct.
 - ii. These files include:
 - 1. CAR.CODE – list of carrier codes RATE.FILE – provider contract rates
 - 2. FEE.SCHD – contains only currently active procedure codes
 - 3. PROCEDRE.CODE – contains any and all procedure codes including both currently active procedure codes and previously active procedure codes. This is what you should be using to verify any procedure codes before using the PROC-CODE-EDIT-IND.
- l. XXXXXX.NPI.CRSSJUNC (VIA C:D)
 - i. This is the NPI Crosswalk Junction file sent every weekday to each MCO.

V. Notification

- a. The MCO is required to notify DHHS, via E-mail, when files are ready to be processed. DHHS will notify the MCO, via E-mail, when files are ready for the MCO to download. The exception to this is, there is no notification for HIPAA/EDI transactions. Details of this process will be exchanged at time of business startup. DHHS will provide an address for messages to be addressed to. The MCO will need to provide an address for DHHS to send messages to.

VI. HIPPA File Naming Convention

- a. RUNNUMBER.EDI where ‘RUNNUMBER’ = an eight (8) digit number assigned by the translator when the file is put in the mailbox. This number has no intelligence associated with it. They are usually sent out the first (1)st Tuesday of every month after the payment run.
- b. A submitter ID is required to exchange HIPAA EDI files.
- c. An 834 transaction file is utilized. A cumulative 834 is sent from SCDHHS to Maximus every month. Maximus then breaks out all the recipients for each MCO and MHN and sends an 834 to each MCO and MHN.

This is a special interface with DHEC. It is to provide a file to DHEC, in HHCD011 named DHEC.IMMUN, which will pass against their files and return immunization information.

The returned file will be passed to Thomson. This is a job which will pick up the DHEC.IMMUN.IN file in HHCD011 and copy it to HHSCDR3 named DSU.DHEC.IMMUN.IN.

This file may eventually need to be transferred to ORS. As of 11/13/09 no decision has been made on this. If the file is transferred to ORS, then the file would need to be copied to HHCD006 and named DHEC.IMMUN.IN.
