Explanation of any unspent funds (to be provided only if unspent funds remain at the end of the fiscal year):

The plans have been moving thru the permitting process and the permit was finally issued on June 15th by Horry County. During the time the permitting was being acquired we sent out an RFP for contractors. Three prebids have been accepted and the official bidding will be completed shortly. After a contractor is chosen ground will be broken on the new project which we anticipated will occur late this summer at which time funds will be drawn down quickly.

Expenditure Certification

The Organization certifies that the funds have been expended in accordance with the Plan provided to the Agency Providing the Distribution and for a public purpose.
