

A Bright Futures Visit: What is it?

Francis Rushton

Goal for this Session

- We all say we follow Bright Futures, but do we really?
- Today we plan to use Bright Futures Published Visit Form as a means to discuss the content of a Bright Futures Visit as specified in the Bright Futures Manual
- You may use the Bright Futures Form, but do not have to as part of this project and may find your own materials more effective

**Bright Futures Previsit Questionnaire
9 Month Visit**

For use before your 9-month visit with the best possible health care, we would like to know more about you and your baby's health. Please fill out this questionnaire before your visit.

What health concerns do you have for your baby's health?
