

Effective Jan. 1, 2026, the South Carolina Department of Health and Human Services (SCDHHS) added some Healthy Connections Medicaid members to the managed care service delivery model. This included Medicaid members who are 18 years of age or older and enrolled in the following home and community-based services (HCBS) waivers:

- The HIV/AIDS waiver;
- The Mechanical Ventilator Dependent (Vent) waiver; and
- The Community Choices (CC) waiver.

Waiver services will continue to be authorized through the fee-for-service (FFS) delivery model. However, for dates of service on and after Jan. 1, 2026, claims for medical services, also referred to as “State Plan services” for members who are enrolled in these three waiver programs should be submitted to the managed care organization (MCO) in which the member is now enrolled. The following chart outlines medical services, which are authorized through an MCO effective Jan. 1, 2026, and waiver services, which continue to be authorized through the FFS model.
