# Members Added to Managed Care

Effective Jan. 1, 2026, the South Carolina Department of Health and Human Services (SCDHHS) added some Healthy Connections Medicaid members to the managed care service delivery model. This included Medicaid members who are 18 years of age or older:

- Medicaid members who are dually enrolled in Medicare and Medicaid;
- Medicaid members enrolled in the HIV/AIDS Waiver;
- Medicaid members enrolled in the Mechanical Ventilator Dependent (Vent) Waiver;
- Medicaid members enrolled in the Community Choices Waiver; and
- Medicaid members who reside in a nursing facility
  - Healthy Connections Medicaid members who reside in a nursing facility will now be enrolled in a Medicaid managed care organization (MCO) for coverage of medical services.
- Providers can find additional guidance about any changes to claims submission, payment and authorization at [www.scdhhs.gov/carvein](http://www.scdhhs.gov/carvein)

# Members Added to Managed Care

- Service providers can check eligibility and status of enrollment in managed care through the South Carolina Medicaid Web-Based Claims Submission Tool (Web Tool)
- [Web Tool Quick Reference Guide](#)
  - [Eligibility \(Visual Book\)](#)
    - Verification Results screen
- To set up a new account, call Blue Cross Blue Shield:

# Continuity of Care Period

- The MCOs are responsible for a 90-day continuity of care period for newly enrolled MCO members. It is important that providers continue to deliver authorized services. During this continuity of care period, MCOs are required to:
  - Honor all previous prior authorizations without requiring additional authorization from providers; and
  - Pay previously authorized services at 100% of the applicable Medicaid FFS rate, unless a contractually negotiated rate exists, regardless of whether the provider is in-network with the MCO.
- Once the continuity of care period is over, providers must be enrolled with the MCO in which the Healthy Connections Medicaid member is enrolled.

# Review of Services

- Waiver services will continue to be authorized through the FFS delivery model. However, for dates of service on and after Jan. 1, 2026, claims for medical services for members who are enrolled in HIV/AIDS waiver, Vent waiver, or Community Choices waiver should be submitted to the MCO in which the member is now enrolled.

Effective Jan. 1, 2026, the South Carolina Department of Health and Human Services (SCDHHS) added some Healthy Connections Medicaid members to the managed care service delivery model. Waiver services will continue to be authorized through the fee-for-service (FFS) delivery model. However, for dates of service on and after Jan. 1, 2026, claims for medical services, also referred to as “State Plan services” for members who are enrolled in these three waiver programs should be submitted to the managed care organization (MCO) in which the member is now enrolled.
