Quality and Patient Safety Workgroup

**Alliance for Innovation on Maternal Health (AIM) Webinar Series**

# Cardiomyopathy in Pregnancy and the Postpartum Period

Wednesday, Sept. 11, 2024  
12-1 p.m.

## **Katelyn Pratt, MD**

OB/GYN, Clinical Assistant Professor  
USC School of Medicine Greenville

Join us for the webinar, Cardiomyopathy in Pregnancy and the Postpartum Period, as part of the South Carolina Birth Outcomes Initiatives' Quality and Patient Safety Workgroup AIM series.

This webinar will provide training on the overview of cardiomyopathy in perinatal patients to include discussion on:

- Important assessments and follow up
- Risks to the pregnancy and postpartum patient
- Short and long-term complications
- Discuss ways to overcome barriers to implementation

### **To participate in the webinar:**

You can also join by phone at (803) 454-9985.

Access code: 872 988 383
